APPEAL 22A-UI-16628-DZ-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**OC: 08/01/21
Claimant: Respondent (4)**

Iowa Code § 96.4(3) – Able and Available/Work Search
Iowa Admin. Code r. 871-24.23(26) – Same Hours and Wages
Iowa Code § 96.1A(37) – Total, Partial, Temporary Unemployment
Iowa Code § 96.7(2)a(2) – Same Base Period Employment

STATEMENT OF THE CASE:

Deere & Company, the employer/appellant, filed an appeal from the Iowa Workforce Development (IWD) August 19, 2022 (reference 04) unemployment insurance (UI) decision that allowed REGULAR (state) UI benefits as of July 17, 2022 because IWD records indicated that Mr. Maletta was on a short-term layoff. The parties were properly notified about the hearing. A telephone hearing was held on September 26, 2022. The employer participated through Janice Gordon, human resources representative. Mr. Maletta participated personally. The administrative law judge took official notice of the administrative record.

ISSUE:

Is Mr. Maletta able to and available for work?
Is Mr. Maletta totally, partially, or temporarily unemployed?
If so, is the employer's account subject to charge?

FINDINGS OF FACT:

Having reviewed the evidence in the record, the administrative law judge finds: Mr. Maletta began working for the employer on January 3, 2022. He works as a full-time resource pool worker. The week of July 17-23, 2022, Mr. Maletta worked full time. The week of July 24-30, 2022, the employer closed its facility and did not have work available for Mr. Maletta. Mr. Maletta returned to work the following week in his same job.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes as follows:

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.1A, subsection 37, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.1A, subsection 37, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code § 96.1A(37) provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Admin. Code r. 871-24.23(26) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(26) Where a claimant is still employed in a part-time job at the same hours and wages as contemplated in the original contract for hire and is not working on a reduced workweek basis different from the contract for hire, such claimant cannot be considered partially unemployed.

Iowa Code section 96.7(2)a(2)(a) provides:

2. Contribution rates based on benefit experience.

a. (2) The amount of regular benefits plus fifty percent of the amount of extended benefits paid to an eligible individual shall be charged against the account of the employers in the base period in the inverse chronological order in which the employment of the individual occurred.

(a) However, if the individual to whom the benefits are paid is in the employ of a base period employer at the time the individual is receiving the benefits, and the individual is receiving the same employment from the employer that the individual received during the individual's base period, benefits paid to the individual shall not be charged against the account of the employer. This provision applies to both contributory and reimbursable employers, notwithstanding subparagraph (3) and section 96.8, subsection 5.

In this case, Mr. Maletta is temporarily unemployed the week of July 24-30, 2022. The employer closed its facility that week, so Mr. Maletta did not work, and he earned no wages that week. Benefits are allowed for the week of July 24-30, 2022, as long as Mr. Maletta is otherwise eligible. Since this employer did not offer Mr. Maletta the same wages and hours during that week as in his base period contemplated at hire, the employer's account should be charged.

DECISION:

The August 19, 2022 (reference 04) UI decision is MODIFIED IN FAVOR OF THE APPELLANT, the employer. Mr. Maletta is temporarily unemployed the week of July 24-30, 2022. Benefits are allowed for that week, provided Mr. Maletta is otherwise eligible. This employer's account shall be charged for that week.
