**EMPLOYMENT APPEAL BOARD
DECISION**

SECTION: 10A.601 Employment Appeal Board Review

D E C I S I O N

FINDINGS OF FACT:

The notice of hearing in this matter was mailed April 18, 2014. The notice set a hearing for May 6, 2014. The Claimant contacted the agency to provide a telephone at which he could be reached for the hearing. On the day of the hearing, however, the Claimant did not appear for or participate in the hearing. The reason the Claimant did not appear is because the Claimant had purchased a new telephone the night before, and the service had not completely transferred his phone information to the new service by the time of the hearing. He did not receive the call.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 10A.601(4) (2011) provides:

4. Appeal board review. The appeal board may on its own motion affirm, modify, or set aside any decision of a administrative law judge on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The appeal board shall permit such further appeal by any of the parties interested in a decision of an administrative law judge and by the representative whose decision has been overruled or modified by the administrative law judge. The appeal board shall review the case pursuant to rules adopted by the appeal board. The appeal board shall promptly notify the interested parties of its findings and decision.

Here the Claimant did not participate in the hearing through no fault of the Claimant. The Claimant did not participate because he did not receive the administrative law judge's call due to the incomplete transfer of his phone service. For this reason, the matter will be remanded for another hearing before an administrative law judge.

DECISION:

The decision of the administrative law judge dated May 7, 2014 is not vacated. This matter is remanded to an administrative law judge in the Unemployment Insurance Appeals Bureau. The administrative law judge shall conduct a hearing following due notice. After the hearing, the administrative law judge shall issue a decision which provides the parties appeal rights.
