**APPEAL 17A-UI-05792-EC-T**

**ADMINISTRATIVE LAW JUDGE  
DECISION**

**IOWA WORKFORCE DEVELOPMENT  
DEPARTMENT**

**OC: 04/16/17  
Claimant: Appellant (6)**

---

Iowa Admin. Code r. 871-24.2(1)e – Re-employment Services  
Iowa Code Ch. 17A – Iowa Administrative Procedure Act  
Iowa Code Ch. 96 – Iowa Employment Security Act  
Iowa Admin. Code r. 871-26.8(1) – Appeal Dismissal  
Iowa Admin. Code r. 871-26.11 – Motions  
Iowa Admin. Code r. 871-24.19(3) – Subsequent Agency Action

**STATEMENT OF THE CASE:**

The Appeals Bureau received an appeal from an unemployment insurance decision dated May 25, 2017, reference 05. Before a hearing was scheduled, the department representative submitted sufficient information to support a dismissal, due to subsequent agency action which resolved the issue on appeal.

**ISSUE:**

Should the appeal be dismissed as moot based on the Department's motion?

**FINDINGS OF FACT:**

The available information in the Department's administrative file establishes the following facts: The department issued a decision on May 25, 2017, reference 05, denying benefits as of 05/21/17 and continuing until the claimant reported for a reemployment services orientation. The department later issued a decision on June 29, 2017, reference 06, stating that the claimant is eligible for benefits beginning on 05/21/17, as long as he meets all the other eligibility requirements. The decision issued on June 29, 2017, reference 06, also stated that the claimant participated in the reemployment services orientation as required.

The department representative requested that the appeal be dismissed. The most recent decision, issued on June 29, 2017, reference 06, makes it clear that the only issue on appeal was resolved in the claimant's favor without a gap in his unemployment insurance eligibility.

**REASONING AND CONCLUSIONS OF LAW:**

Generally, courts and administrative tribunals do not decide issues when the underlying controversy is moot. *Rhiner v. State*, 703 N.W.2d 174, 176 (Iowa 2005). “A case is moot if it no longer presents a justiciable controversy because the issues involved are academic or nonexistent.” *Iowa Bankers Ass’n v. Iowa Credit Union Dep’t*, 335 N.W.2d 439, 442 (Iowa 1983) An appeal may be dismissed when the issue on appeal has been resolved in the appellant’s favor. Iowa Admin. Code r. 871-26.8(1).

The request to dismiss the appeal should be approved. The only issue on this appeal is now moot. The claimant is eligible for benefits without a gap in coverage.

**DECISION:**

The request to dismiss the appeal of the unemployment insurance decision dated May 25, 2017, reference 05, is approved. The decision issued on June 29, 2017, reference 06, is affirmed. The appeal is dismissed as moot.
