871 IAC 26.8(1) - Withdrawal of Appeal

**STATEMENT OF THE CASE:**

The employer appealed a representative's December 23, 2009 decision (reference 01) that concluded the claimant was qualified to receive benefits, and held the employer's account subject to charge because the claimant had been discharged for nondisqualifying reasons. A hearing was scheduled on February 8, 2010. Prior to the hearing, the employer's representative requested that the employer's appeal be withdrawn. Based on the employer's withdrawal request, the administrative record, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

**FINDINGS OF FACT:**

The employer withdrew its appeal from the representative's December 23, 2009 decision. The employer's withdrawal request was faxed to the Appeals Section on February 4, 2010.

**REASONING AND CONCLUSIONS OF LAW:**

871 IAC 26.8(1) provides:

(1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The employer's request to withdraw its appeal is approved.

**DECISION:**

The representative's December 23, 2009 (reference 01) is affirmed. The employer's withdrawal request is approved. The claimant remains qualified to receive unemployment insurance benefits as of November 29, 2009, provided he meets all other eligibility requirements. The employer's account may be charged.
