49 CFR 40.321 – Sealed Record Confidential Information

A telephone hearing was held on February 13, 2023, regarding whether the claimant was disqualified from receiving unemployment insurance benefits based on the reasons for the separation from employment. The claimant participated in the hearing. The employer participated in the hearing. The parties introduced testimony and evidence considered confidential pursuant to 49 CFR 40.321. There is no way to redact identifying information from the audio recording.

IT IS ORDERED that the evidence submitted, and audio recording be sealed. Only individuals authorized by 49 CFR 40.321 are permitted to access this evidence.
