Claimant: Appellant (4)

Iowa Code § 96.3(7) – Recovery of Benefit Overpayment

STATEMENT OF THE CASE:

The claimant/appellant filed an appeal from the November 5, 2018 (reference 09) unemployment insurance decision that found claimant was overpaid benefits of \$1,152.00 for four weeks between September 30, 2018 and October 27, 2018. Claimant was properly notified of the hearing. A telephone hearing was held on November 20, 2018. The claimant participated personally. The administrative law judge took administrative notice of the claimant's unemployment insurance benefits records.

ISSUE:

Is the claimant overpaid benefits?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds:

The claimant filed an initial claim for benefits effective August 19, 2018. Her weekly benefit amount is \$288.00. The claimant received benefits of \$864.00 for three weeks between September 30, 2018 and October 20, 2018. The overpayment issue in this case was created by a disqualification decision that has been modified in favor of the appellant; however, claimant was still found to be unable to work from September 30, 2018 through October 20, 2018 and benefits were denied during that period.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes as follows:

Iowa Code § 96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.
 - a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the

benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding § 96.8, subsection 5.

The administrative law judge concludes that the claimant has been overpaid unemployment insurance benefits in the amount of \$864.00 for three weeks between September 30, 2018 and October 20, 2018 pursuant to Iowa Code § 96.3(7), as the disqualification decision that created the overpayment decision has been modified.

DECISION:

The November 5, 2018 (reference 09) unemployment insurance decision is modified in favor of the appellant. The claimant has been overpaid unemployment insurance benefits of \$864.00 for three weeks between September 30, 2018 and October 20, 2018, to which she was not entitled. Those benefits must be recovered in accordance with Iowa law.
