Iowa Code § 96.1A(37) – Total and Partial Unemployment

Iowa Code § 96.4(3) – Ability to and Availability for Work

Iowa Admin. Code r. 871-24.23(26) – Availability Disqualifications Same Hours and Wages

Iowa Code § 96.7(2)a(2) – Same Base Period Employment

**STATEMENT OF THE CASE:**

Claimant Jodi L. Nelson filed an appeal from the March 9, 2023, (reference 02) unemployment insurance decision that denied benefits based upon a determination claimant was still employed at the same hours and wages. The parties were properly notified of the hearing. A telephone hearing was held on April 4, 2023. Claimant participated personal. Employer did not participate. The administrative law judge took official notice of the administrative file.

**ISSUES:**

Is the claimant totally, partially, or temporarily unemployed?

Was the claimant able to and available for work effective February 5, 2023?

Is the employer's account subject to charge?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant filed her initial claim for benefits effective February 5, 2023. She has been employed full time as a patient representative at Mary Greeley Medical Center since November 8, 2011. She works forty hours per week and earns \$20.91 per hour. Claimant also works for another employer, CDS Global, Inc., part-time, as a customer service representative.

Claimant has worked full time each week with Mary Greeley Medical Center since filing her claim for benefits. She filed her claim in response to a layoff from her part-time employment with CDS Global, Inc.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes as follows:

Iowa Code § 96.1A(37) provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Code section 96.7(2)a(2)(a), (b), and (c) provides:

2. Contribution rates based on benefit experience.

a. (2) The amount of regular benefits plus fifty percent of the amount of extended benefits paid to an eligible individual shall be charged against the account of the employers in the base period in the inverse chronological order in which the employment of the individual occurred.

(a) However, if the individual to whom the benefits are paid is in the employ of a base period employer at the time the individual is receiving the benefits, and the individual is receiving the same employment from the employer that the individual received during the individual's base period, benefits paid to the individual shall not be charged against the account of the employer. This provision applies to both contributory and reimbursable employers, notwithstanding subparagraph (3) and section 96.8, subsection 5.

(b) An employer's account shall not be charged with benefits paid to an individual who left the work of the employer voluntarily without good cause attributable to the employer or to an individual who was discharged for misconduct in connection with the individual's employment, or to an individual who failed without good cause, either to apply for available, suitable work or to accept suitable work with that employer, but shall be charged to the unemployment compensation fund. This paragraph applies to both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

(c) The amount of benefits paid to an individual, which is solely due to wage credits considered to be in an individual's base period due to the exclusion and

substitution of calendar quarters from the individual's base period under section 96.23, shall be charged against the account of the employer responsible for paying the workers' compensation benefits for temporary total disability or during a healing period under section 85.33, section 85.34, subsection 1, or section 85A.17, or responsible for paying indemnity insurance benefits.

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.18 provides:

Wage-earnings limitation. An individual who is partially unemployed may earn weekly a sum equal to the individual's weekly benefit amount plus \$15 before being disqualified for excessive earnings. If such individual earns less than the individual's weekly benefit amount plus \$15, the formula for wage deductions shall be a sum equal to the individual's weekly benefit amount less that part of wages, payable to the individual with respect to that week and rounded to the lower multiple of one dollar, in excess of one-fourth of the individual's weekly benefit amount.

This rule is intended to implement Iowa Code § 96.3, 96.4 and 96.19(38).

Iowa Admin. Code r. 871-24.23 provides:

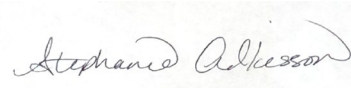

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(23) The claimant's availability for other work is unduly limited because such claimant is working to such a degree that removes the claimant from the labor market.

Even though claimant is not earning the same wages as accustomed to when she worked her full-time employment with Mary Greeley Medical Center and her part-time employment with CDS Global, she is still employed full-time, and does not meet the eligibility requirements according to Iowa law. She has not been totally, partially, or temporarily unemployed at any point in time from this employer. Further, she has been working to such a degree that removes her from the labor market. The administrative law judge is sympathetic to claimant's situation, but benefits must be withheld.

**DECISION:**

The March 9, 2023, (reference 02) unemployment insurance decision is modified in favor of the respondent. Claimant is not totally, partially, or temporarily unemployed, and regular, state-funded unemployment insurance benefits are denied effective March 9, 2023.
