Claimant: Appellant (2)

871 IAC 24.2(1)h – Backdate a Claim

PROCEDURAL STATEMENT OF THE CASE:

The claimant appealed a representative's January 16, 2015 determination (reference 01) that denied his request to backdate his claim. A hearing was scheduled on February 25, 2015. Prior to the scheduled hearing, a Benefits Bureau representative notified the Appeals Bureau that this claim would be backdated to December 28, 2014. As result, there was no need for a hearing because the issue the claimant appealed was revolved in his favor.

FINDINGS OF FACT:

The claimant appealed a January 16, 2015 determination that denied his request to backdate his claim to December 28, 2014. Before the scheduled February 25 hearing, the Benefits Bureau informed the Appeals Bureau the claimant's claim was being backdated to December 28, 2014, so there was no need for a hearing.

REASONING AND CONCLUSIONS OF LAW:

Since the Benefits Bureau backdated the claimant's claim to December 28, 2014, as the claimant requested, there is no need for a hearing.

DECISION:

The representative's January 16, 2015 determination (reference 01) is reversed. Prior to a hearing, the Benefits Bureau backdated this claim to December 28, 2014. This resolved the issue the claimant had appealed.
