Iowa Code § 96.3(7) - Recovery of Benefit Overpayment

STATEMENT OF THE CASE:

The claimant appealed the June 22, 2006, reference 02, decision that concluded the claimant was overpaid unemployment insurance benefits in the amount of \$972.00 as a result of a disqualification decision. A telephone hearing was held on July 26, 2006, pursuant to due notice. The claimant did participate and was represented by Jeff Lipman, Attorney at Law. The issue is whether claimant was overpaid benefits for the period from May 28 through June 17, 2006.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The overpayment issue in this case was created by a disqualification decision that has now been

reversed. However, this overpayment is affirmed pending the remand to the claims section of Iowa Workforce Development on the issue of the back pay application to partial benefit entitlement and any related benefit overpayment.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code § 96.3-7 provides:

7. Recovery of overpayment of benefits. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The administrative law judge concludes that the claimant has been overpaid unemployment insurance benefits in the amount of \$972.00 pursuant to Iowa Code § 96.3(7) as the disqualification decision that created the overpayment decision has now been reversed.

DECISION:

The June 22, 2006, reference 02, decision is affirmed. The claimant has been overpaid unemployment insurance benefits in the amount of \$972.00 pending the remand to Iowa Workforce Development Claims Section on the issue of the back pay application to partial benefit entitlement and any related benefit overpayment.
