Iowa Code § 96.4(3) – Ability to and Availability for Work

**STATEMENT OF THE CASE:**

On June 15, 2020, the claimant filed an appeal from the June 11, 2020, (reference 01) unemployment insurance decision that denied benefits based on claimant's availability for work. The parties were properly notified about the hearing. A telephone hearing was held on July 21, 2020. Claimant participated personally. Employer participated through assistant store leader Ashley Angell.

**ISSUE:**

Is the claimant able to and available for work?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant began working for employer on July 3, 2019. Claimant works for employer as a full-time guest service co-worker.

In March 2020, Iowans began testing positive for COVID 19.

Claimant's last day of work was March 29, 2020. Claimant has twins who were five years old when the pandemic started. Governor Reynolds cancelled in person classes for schools in Iowa during March 2020. Claimant has not been able to find childcare for her children since that time.

Claimant was put on a leave of absence from April 1, 2020, through July 19, 2020.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes that the claimant is not able to work and available for work effective April 12, 2020.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.23(10) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(10) The claimant requested and was granted a leave of absence, such period is deemed to be a period of voluntary unemployment and shall be considered ineligible for benefits for such period.

Here, claimant was on a leave of absence from April 1, 2020, through July 19, 2020, because of a lack of child care due to COVID 19. Claimant has not established she is able to and available for work, even under the United States Department of Labor's guidance to flexibly interpret this requirement. See Unemployment Insurance Program Letter No. 10-20. Therefore, claimant is not eligible for regular, state-funded unemployment insurance benefits during that time frame.

Even though claimant is not eligible for regular unemployment insurance benefits under state law, she may be eligible for federally funded unemployment insurance benefits under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"), Public Law 116-136. Section 2102 of the CARES Act creates a new temporary federal program called Pandemic Unemployment Assistance (PUA) that in general provides up to 39 weeks of unemployment benefits. An individual receiving PUA benefits may also receive the \$600 weekly benefit amount (WBA) under the Federal Pandemic Unemployment Compensation (FPUC) program if he or she is eligible for such compensation for the week claimed.

**DECISION:**

The June 11, 2020, (reference 01) unemployment insurance decision is affirmed. The claimant is not available for work effective April 12, 2020, and regular, state-funded unemployment insurance benefits are denied. Claimant may be eligible for Pandemic Unemployment Assistance during that time period.
