Section 96.3-7 – Recovery of Benefit Overpayment

**STATEMENT OF THE CASE:**

The claimant filed a timely appeal from the May 23, 2011, reference 01, decision that determined he was overpaid benefits in the amount of \$414.00. After due notice was issued, a hearing was held by telephone conference call before Administrative Law Judge Julie Elder on June 23, 2011. The claimant participated in the hearing.

**ISSUE:**

The issue is whether the claimant is overpaid unemployment insurance benefits.

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: The overpayment issue in this case was created by a disqualification decision that has now been affirmed. The claimant received both regular benefits in the amount of \$389.00 and emergency unemployment compensation in the amount of \$402.00 the week ending January 2, 2010. He also received \$25.00 that week in federal stimulus money. The Department subsequently determined he was overpaid in the amount of \$414.00 by taking the \$389.00 in regular benefits and adding the \$25.00 in stimulus money for that week.

**REASONING AND CONCLUSIONS OF LAW:**

Iowa Code section 96.3-7 provides:

7. Recovery of overpayment of benefits. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be

credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The administrative law judge concludes that the claimant has been overpaid unemployment insurance benefits in the amount of \$414.00 pursuant to Iowa Code section 96.3-7, as the disqualification decision that created the overpayment decision has now been affirmed.

**DECISION:**

The May 23, 2011, reference 01, decision is affirmed. The claimant has been overpaid unemployment insurance benefits in the amount of \$414.00.
