APPEAL 23A-UI-06213-DS-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

MEDIACOM COMMUNICATIONS
Employer

**OC: 05/28/23
Claimant: Appellant (2)**

Iowa Code § 96.4(3) – Able and Available

STATEMENT OF THE CASE:

The claimant appealed a representative's decision dated June 13, 2023, (Reference 01) that concluded claimant was ineligible for benefits as of May 28, 2023, because he was on a voluntary leave of absence. A hearing was scheduled and held on July 11, 2023, pursuant to due notice. The claimant participated personally. The employer did not participate. The administrative law judge took official notice of the administrative record.

ISSUES:

Is the claimant able and available for work?
Is the claimant on an approved leave of absence?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds:

The claimant is still employed by this employer. In December 2022, the claimant was charged in criminal court. He reported his charges to his employer and was allowed to continue working until May 2023. When the claimant advised the employer in May that his case was still pending in the courts, he was placed on a leave of absence. The claimant testified that his charges have been dismissed but the employer has still not authorized him to return to work. He is not on a voluntary leave of absence.

The claimant established a claim for benefits in Iowa that originated effective May 28, 2023.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant is able and available for work and has been laid off by the employer.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.1A, subsection 37, paragraph "b", subparagraph (1), or temporarily unemployed as defined in section 96.1A, subsection 37, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The administrative law judge finds that the claimant is able to work and available for work, but the employer has placed the claimant on leave and has not recalled him to date. The claimant is effectively laid off from work.

DECISION:

The June 13, 2023, (Reference 01) decision is REVERSED. The claimant is eligible for benefits for as of May 28, 2023, provided he meets all other eligibility requirements.
