APPEAL 22A-UI-12082-SN-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**OC: 12/26/21
Claimant: Appellant (2)**

Iowa Code § 96.4(3) – Able and Available/Work Search

STATEMENT OF THE CASE:

The claimant, David O Grabill, filed a timely appeal from the May 3, 2022, (reference 03), unemployment insurance decision that warned claimant to expand his job search because he had made insufficient job contacts for the week ending April 30, 2022. After due notice was issued, a telephone conference hearing was scheduled to be held on June 24, 2022. The claimant participated.

ISSUE:

Did the claimant make an adequate work search for the week ending April 30, 2022, and was the warning appropriate?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds:

The claimant claimed benefits for the week ending April 30, 2022. The claimant made six work searches that week by resume. It was his first week of reporting a claim and he made an error in the interactive voice response (IVR) system.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant has made an active and earnest search for work.

Iowa Code section 96.4(3)a provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. a. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed,

while employed at the individual's regular job, as defined in section 96.1A, subsection 37, paragraph "b", subparagraph (1), or temporarily unemployed as defined in section 96.1A, subsection 37, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code section 96.1A(37) provides:

Totally unemployed", "partially unemployed", and "temporarily unemployed.

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed "partially unemployed" in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed "temporarily unemployed" if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Admin. Code r. 871-24.23(28) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(28) A claimant will be ineligible for benefits because of failure to make an adequate work search after having been previously warned and instructed to expand the search for work effort.

The claimant has sufficiently demonstrated to the satisfaction of the administrative law judge an active and earnest search for work for the week ending April 30, 2022. Accordingly, the warning was appropriate.

DECISION:

The May 3, 2022, (reference 03) unemployment insurance decision is reversed. The claimant did make an active and earnest search for work for the week ending April 30, 2022. Therefore, the warning was not appropriate. If it has not been done already, the claimant's work search status should be changed to include six application work searches.
