: **ALJ HEARING NUMBER: 24A-UI-03907**  
:  
: **EMPLOYMENT APPEAL BOARD**  
: **DECISION**  
:  
:  
:

**NOTICE**

**THIS DECISION BECOMES FINAL** unless (1) a **request for a REHEARING** is filed with the Employment Appeal Board within **20 days** of the date of the Board's decision or, (2) a **PETITION TO DISTRICT COURT IS FILED WITHIN 30 days** of the date of the Board's decision.

A **REHEARING REQUEST** shall state the specific grounds and relief sought. If the rehearing request is denied, a petition may be filed in **DISTRICT COURT** within **30 days** of the date of the denial.

**SECTION: 17A.12-3 26.14-7**

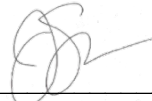

**DECISION**

**UNEMPLOYMENT BENEFITS ARE DENIED**

The Claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. The administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED**.

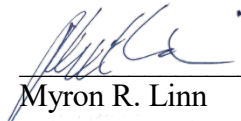

The Claimant asserts reasons for missing the hearing that could constitute good cause for missing it. But the Claimant's explanation lacks detail, for example, we cannot tell the age of the Claimant's daughter; the nature of the daughter's emergency, i.e. medical, financial, etc.; when the Claimant became aware of the emergency and that she would be unable to attend the hearing; whether she attempted to reschedule the hearing prior to the hearing date and time; and, why the Claimant, as opposed to someone else, needed to be present for her daughter's situation. The Claimant is encouraged to supply the missing detail, and to provide any supporting documents, by applying for rehearing within 20 days of today's decision.

The Claimant has requested this matter be remanded for a new hearing. The Employment Appeal Board finds the applicant did not follow the instructions on the notice of hearing. Therefore, good cause has not been established to remand this matter. The remand request is **DENIED**.
