APPEAL NO. 13A-UI-14308-MT

**ADMINISTRATIVE LAW JUDGE
DECISION**

AVENTURE STAFFING & PROFESSIONAL
Employer

OC: 07/21/13
Claimant: Respondent (1)

Section 96.5-1 – Voluntary Quit

STATEMENT OF THE CASE:

Employer filed an appeal from a decision of a representative dated December 23, 2013, reference 03, which held claimant eligible for unemployment insurance benefits. After due notice, a hearing was scheduled for and held on January 23, 2014. Claimant participated. Employer participated by Nancy Martens, ESR 2 and Deb Miller, Human Resource Assistant. Exhibit One was admitted into evidence.

ISSUE:

The issue in this matter is whether claimant quit for good cause attributable to employer.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds: Claimant last worked for employer on December 23, 2013. Claimant completed her last assignment. Claimant reported the job's end promptly upon completion. Employer offered claimant another temporary assignment. Claimant declined the assignment because she was moving. Employer's policy requires claimant to report in for further assignment within three days. Claimant complied with the policy.

REASONING AND CONCLUSIONS OF LAW:

The administrative law judge holds that the evidence has established that claimant voluntarily quit for good cause attributable to employer when claimant terminated the employment relationship because the job ended. Claimant's decision to not take another job is not disqualifying. Claimant did report in immediately after the last assignment as provided by rule. This is a separation for cause attributable to employer. Benefits allowed.

Iowa Code section 96.5-1 provides:

An individual shall be disqualified for benefits:

1. Voluntary quitting. If the individual has left work voluntarily without good cause attributable to the individual's employer, if so found by the department.

Iowa Code section 96.5-1-j provides:

An individual shall be disqualified for benefits:

1. Voluntary quitting. If the individual has left work voluntarily without good cause attributable to the individual's employer, if so found by the department, but the individual shall not be disqualified if the department finds that:

j. The individual is a temporary employee of a temporary employment firm who notifies the temporary employment firm of completion of an employment assignment and who seeks reassignment. Failure of the individual to notify the temporary employment firm of completion of an employment assignment within three working days of the completion of each employment assignment under a contract of hire shall be deemed a voluntary quit unless the individual was not advised in writing of the duty to notify the temporary employment firm upon completion of an employment assignment or the individual had good cause for not contacting the temporary employment firm within three working days and notified the firm at the first reasonable opportunity thereafter.

To show that the employee was advised in writing of the notification requirement of this paragraph, the temporary employment firm shall advise the temporary employee by requiring the temporary employee, at the time of employment with the temporary employment firm, to read and sign a document that provides a clear and concise explanation of the notification requirement and the consequences of a failure to notify. The document shall be separate from any contract of employment and a copy of the signed document shall be provided to the temporary employee.

For the purposes of this paragraph:

(1) "Temporary employee" means an individual who is employed by a temporary employment firm to provide services to clients to supplement their work force during absences, seasonal workloads, temporary skill or labor market shortages, and for special assignments and projects.

(2) "Temporary employment firm" means a person engaged in the business of employing temporary employees.

DECISION:

The decision of the representative dated December 23, 2013, reference 03, is affirmed. Unemployment insurance benefits are allowed, provided claimant is otherwise eligible.
