Claimant: Appellant (1)

PL 116-136 Section 2101 – Pandemic Unemployment Assistance
20 CFR 625 – Disaster Unemployment Assistance

STATEMENT OF THE CASE:

Monique Erby (claimant/appellant) filed an appeal from the Iowa Workforce Development decision dated September 1, 2020, reference 01 that determined claimant was not eligible for federal Pandemic Unemployment Assistance (PUA). After a hearing notice was mailed to the claimant's last-known address of record, a telephone hearing was held on October 27, 2020. The claimant participated personally.

The claimant offered and Exhibit A was received into evidence. The administrative law judge took official notice of the administrative file.

ISSUE:

The issue is whether the claimant is eligible Pandemic Unemployment Assistance.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds that: The claimant was hired on February 15, 2020, as a part-time grounds keeper. She was hired to perform seasonal winter and summer yard keeping work. On February 29, 2020, the employer laid the claimant off for lack of work. The claimant remembers the employer saying he had information from Governor Kim Reynolds on the Covid-19 pandemic. The business remained open.

The claimant filed two applications for PUA. The claimant provided self-certification that she was otherwise able to work and available for work but was unemployed, partially unemployed, or unable or unavailable to work because she was scheduled to commence employment and did not have a job or was unable to reach her job as a direct result of the COVID-19 public health emergency. Later, the claimant applied for PUA again. She self-certified that her place of employment closed as a direct result of the COVID-19 public health emergency. Telework was not available.

The claimant is not monetarily eligible for regular compensation or extended benefits under state or federal law or Pandemic Emergency Unemployment Compensation (PEUC).

REASONING AND CONCLUSIONS OF LAW:

For the reasons set forth below, the claimant is not eligible for federal Pandemic Unemployment Assistance (PUA).

The CARES Act was established to provide PUA benefits to qualified individuals who were not eligible for regular compensation or extended benefits under State or Federal law or pandemic emergency unemployment compensation. PL 116-136 Section 2102(a), (b), (c), (d), and (h) provide as follows:

SEC. 2102. PANDEMIC UNEMPLOYMENT ASSISTANCE.

(a) DEFINITIONS. — In this section:

(3) COVERED INDIVIDUAL. — The term “covered individual”—

(A) means an individual who—

(i) is not eligible for regular compensation or extended benefits under State or Federal law or pandemic emergency unemployment compensation under section 2107, including an individual who has exhausted all rights to regular unemployment or extended benefits under State or Federal law or pandemic emergency unemployment compensation under section 2107; and

(ii) provides self-certification that the individual— (I) is otherwise able to work and available for work within the meaning of applicable State law, except the individual is unemployed, partially unemployed, or unable or unavailable to work because—

(aa) the individual has been diagnosed with COVID–19 or is experiencing symptoms of COVID–19 and seeking a medical diagnosis;

(bb) a member of the individual’s household has been diagnosed with COVID–19; (cc) the individual is providing care for a family member or a member of the individual’s household who has been diagnosed with COVID–19;

(dd) a child or other person in the household for which the individual has primary caregiving responsibility is unable to attend school or another facility that is closed as a direct result of the COVID–19 public health emergency and such school or facility care is required for the individual to work;

(ee) the individual is unable to reach the place of employment because of a quarantine imposed as a direct result of the COVID–19 public health emergency;

(ff) the individual is unable to reach the place of employment because the individual has been advised by a health care provider to self-quarantine due to concerns related to COVID–19;

(gg) the individual was scheduled to commence employment and does not have a job or is unable to reach the job as a direct result of the COVID–19 public health emergency;

(hh) the individual has become the breadwinner or major support for a household because the head of the household has died as a direct result of COVID–19;

(ii) the individual has to quit his or her job as a direct result of COVID–19;

(jj) the individual's place of employment is closed as a direct result of the COVID- 19 public health emergency; or
(kk) the individual meets any additional criteria established by the Secretary for unemployment assistance under this section; or
(ll) is self-employed, is seeking part-time employment, does not have sufficient work history, or otherwise would not qualify for regular unemployment or extended benefits under State or Federal law or pandemic emergency unemployment compensation under section 2107 and meets the requirements of subclause (l); and

(B) does not include—

(i) an individual who has the ability to telework with pay; or
(ii) an individual who is receiving paid sick leave or other paid leave benefits, regardless of whether the individual meets a qualification described in items (aa) through (kk) of subparagraph (A)(i)(l).

(b) ASSISTANCE FOR UNEMPLOYMENT AS A RESULT OF COVID- 19. —

Subject to subsection (c), the Secretary shall provide to any covered individual unemployment benefit assistance while such individual is unemployed, partially unemployed, or unable to work for the weeks of such unemployment with respect to which the individual is not entitled to any other unemployment compensation (as that term is defined in section 85(b) of title 26, United States Code) or waiting period credit.

(c) APPLICABILITY. —

(1) IN GENERAL. — Except as provided in paragraph (2), the assistance authorized under subsection (b) shall be available to a covered individual — (A) for weeks of unemployment, partial unemployment, or inability to work caused by COVID-19— (i) beginning on or after January 27, 2020; and (ii) ending on or before December 31, 2020; and (B) subject to subparagraph (A)(ii), as long as the covered individual's unemployment, partial unemployment, or inability to work caused by COVID-19 continues.

(2) LIMITATION ON DURATION OF ASSISTANCE.—The total number of weeks for which a covered individual may receive assistance under this section shall not exceed 39 weeks and such total shall include any week for which the covered individual received regular compensation or extended benefits under any Federal or State law, except that if after the date of enactment of this Act, the duration of extended benefits is extended, the 39-week period described in this paragraph shall be extended by the number of weeks that is equal to the number of weeks by which the extended benefits were extended.

(d) AMOUNT OF ASSISTANCE. —

(1) IN GENERAL. — The assistance authorized under subsection (b) for a week of unemployment, partial unemployment, or inability to work shall be— (A)(i) the weekly benefit amount authorized under the unemployment compensation law of the State where the covered individual was employed, except that the amount may not be less than the minimum weekly benefit amount described in section 625.6 of title 20, Code of Federal Regulations, or any successor thereto; and (ii) the amount of Federal Pandemic Unemployment Compensation under section 2104; and (B) in the case of

an increase of the weekly benefit amount after the date of enactment of this Act, increased in an amount equal to such increase.

(2) CALCULATIONS OF AMOUNTS FOR CERTAIN COVERED INDIVIDUALS. — In the case of a covered individual who is self-employed, who lives in a territory described in subsection (c) or (d) of section 625.6 of title 20, Code of Federal Regulations, or who would not otherwise qualify for unemployment compensation under State law, the assistance authorized under subsection (b) for a week of unemployment *shall be calculated in accordance with section 625.6 of title 20, Code of Federal Regulations*, or any successor thereto, and shall be increased by the amount of Federal Pandemic Unemployment Compensation under section 2104.

(emphasis added).

(h) RELATIONSHIP BETWEEN PANDEMIC UNEMPLOYMENT ASSISTANCE AND DISASTER UNEMPLOYMENT ASSISTANCE. —

Except as otherwise provided in this section or to the extent there is a conflict between this section and section 625 of title 20, Code of Federal Regulations, such section 625 shall apply to this section as if— (1) the term “COVID–19 public health emergency” were substituted for the term “major disaster” each place it appears in such section 625; and (2) the term “pandemic” were substituted for the term “disaster” each place it appears in such section 625.

In this case, the claimant is not monetarily eligible for unemployment insurance benefits funded by the State of Iowa pursuant to Iowa Code § 96.4(4)a. This is due to a lack of being paid sufficient wages in insured work during the base period. The claimant therefore meets the requirements of PL 116-136 Section 2102(a)(3)(A)(i); however, **does not** meet the requirements of PL 116-136 Section 2102(a)(3)(A)(ii) to qualify as a “covered individual” under the CARES Act.

PL 116-136 Section 2102(a)(3)(A)(ii)(I) establishes that the claimant must provide self-certification that she is otherwise able to work and available for work within the meaning of applicable State law, except that she is unemployed, partially unemployed, or unable or unavailable to work **because of one of the enumerated reasons listed in (aa) through (II)**. In this case, the claimant is not unemployed, partially unemployed, or unable or unavailable to work because the COVID-19 public health emergency reasons listed in (aa) through (II). The lack of work after February of 2020 was due to the fact that the claimant had a seasonal lay off. This was not COVID-19 related because it was prior to March 2020. The unemployment is not a direct result of the COVID 19 public health emergency itself.

The administrative law judge has reviewed the facts and applicable laws carefully, and although the administrative law judge is very sympathetic to the claimant’s situation, the claimant is not a covered individual pursuant to PL 116-136 Section 2102 a(3)(A)(ii) as she is not unemployed, partially unemployed, or unable or unavailable to work because of one of the enumerated reasons listed in (aa) through (II). The claimant’s unemployment is not a direct result of the COVID 19 public health emergency. Pandemic Unemployment Assistance benefits are denied.

DECISION:

The Iowa Workforce Development decision dated September 1, 2020, reference 01, that determined claimant was not eligible for federal Pandemic Unemployment Assistance (PUA) is affirmed. The claimant is not considered a covered individual pursuant to PL 116-136 Section 2102(a)3. The claimant is not unemployed, partially unemployed, or unable or unavailable to work because of one of the enumerated reasons listed in PL 116-136 Section 2102 a(3)(A)(ii).
