Section 96.3-7 – Recovery of Overpayment of Benefits  
PL 116-136, Sec. 2102 – Federal Pandemic Unemployment Assistance (PUA)  
20 CFR § 625 – Disaster Unemployment Assistance  
PL 116-136 Section 2104 (F) (2) – Pandemic Unemployment Compensation (FPUC)

**STATEMENT OF THE CASE:**

The claimant/appellant filed an appeal from the March 14, 2023 (reference 12) unemployment insurance decision that found claimant's request for waiver of Federal Pandemic Assistance (PUA) and Federal Pandemic Unemployment Compensation were denied. The claimant was properly notified of the hearing. A telephone hearing was held on April 4, 2023. The claimant participated personally. The administrative law judge took official notice of the claimant's administrative records.

**ISSUES:**

Should the claimant's Federal Pandemic Assistance (PUA) overpayment and Federal Pandemic Unemployment Compensation (FPUC) overpayment be waived?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant filed an original claim for regular unemployment insurance benefits funded by the State of Iowa effective April 26, 2020. The claimant was paid PUA benefits for a total amount of \$1,015.00, and was paid FPUC benefits for a total amount of \$2,400.00 as a supplement to their eligibility for PUA benefits.

Claimant is currently retired, and her spouse is retired. Claimant earns \$26,592.00 per year and her husband earns \$26,868.00 per year from social security and retirement payments. Claimant does not have any dependents.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes as follows:

PL 116-136 Section 2104 of the CARES Act created a program in which an additional \$600.00 per week was payable to claimants who were eligible for at least \$1.00 per week in benefits

stemming from other programs including regular unemployment insurance funded by the State of Iowa, Pandemic Emergency Unemployment Compensation, Pandemic Unemployment Assistance, Iowa Extended benefits, and Trade Act benefits. This initial program ran from March 29, 2020 through July 25, 2020. Claimants were only eligible to receive FPUC payments if they were entitled to receive benefits from another applicable program. The payments of FPUC benefits were automatic so long as a claimant was determined to be eligible under one of the other applicable programs.

On December 27, 2020, the President signed into law the Consolidated Appropriations Act, 2021, which includes Division N, Title II, Subtitle A, the Continued Assistance Act. Section 203 reauthorized the FPUC program for weeks of unemployment beginning after December 26, 2020 and ending on or before March 14, 2021 and modified the weekly supplement payment to \$300.00. On March 11, 2021, the President signed the American Rescue Plan Act of 2021 (ARPA). Section 9103 of ARPA amends Section 2104 of the CARES Act of 2020 and extended the FPUC program for weeks of unemployment ending on or before September 6, 2021. On May 11, 2021, Governor Reynolds announced that Iowa would end its participation in federal pandemic-related unemployment benefit programs effective June 12, 2021. The last payable week for FPUC benefits in Iowa was the week ending June 12, 2021. The CARES Act provides that a State agency may waive repayment of an overpayment in certain circumstances.

Section 2102(a)(3) defines individuals who are eligible for PUA benefits.

(3) COVERED INDIVIDUAL.—The term “covered individual”—

(A) means an individual who—

(i) is not eligible for regular compensation or extended benefits under State or Federal law or pandemic emergency unemployment compensation under section 2107, including an individual who has exhausted all rights to regular unemployment or extended benefits under State or Federal law or pandemic emergency unemployment compensation under section 2107; and

(ii) provides self-certification that the individual—

(I) is otherwise able to work and available for work within the meaning of applicable State law, except the individual is unemployed, partially unemployed, or unable or unavailable to work because—

(aa) the individual has been diagnosed with COVID–19 or is experiencing symptoms of COVID–19 and seeking a medical diagnosis;

(bb) a member of the individual’s household has been diagnosed with COVID–19;

(cc) the individual is providing care for a family member or a member of the individual’s household who has been diagnosed with COVID–19;

(dd) a child or other person in the household for which the individual has primary caregiving responsibility is unable to attend school or another facility that is closed as a direct result of the COVID–19 public health

emergency and such school or facility care is required for the individual to work;

(ee) the individual is unable to reach the place of employment because of a quarantine imposed as a direct result of the COVID-19 public health emergency;

(ff) the individual is unable to reach the place of employment because the individual has been advised by a health care provider to self-quarantine due to concerns related to COVID-19;

(gg) the individual was scheduled to commence employment and does not have a job or is unable to reach the job as a direct result of the COVID-19 public health emergency;

(hh) the individual has become the breadwinner or major support for a household because the head of the household has died as a direct result of COVID-19;

(ii) the individual has to quit his or her job as a direct result of COVID-19;

(jj) the individual's place of employment is closed as a direct result of the COVID-19 public health emergency; or

(kk) the individual meets any additional criteria established by the Secretary for unemployment assistance under this section; or

(ll) is self-employed, is seeking part-time employment, does not have sufficient work history, or otherwise would not qualify for regular unemployment or extended benefits under State or Federal law or pandemic emergency unemployment compensation under section 2107 and meets the requirements of subclause (l); and

(B) does not include—

(i) an individual who has the ability to telework with pay; or

(ii) an individual who is receiving paid sick leave or other paid leave benefits, regardless of whether the individual meets a qualification described in items (aa) through (kk) of subparagraph (A)(i)(l).

An individual must be unemployed and the unemployment must be caused by a major disaster. 20 CFR 625.4.

Title 20 of the Code of Federal Regulations, section 626.2(t) defines an unemployed self-employed individual as follows:

(t) Unemployed self-employed individual means an individual who was self-employed in or was to commence self-employment in the major disaster area at the time the major disaster began, and whose principal source of income and livelihood is dependent upon the individual's performance of service in self-employment, and whose unemployment is caused by a major disaster as provided in § 625.5(b).

Title 20 of the Code of Federal Regulations, section 626.5(b) and (c) provide:

(b) Unemployed self-employed individual. The unemployment of an unemployed self-employed individual is caused by a major disaster if—

(1) The individual has a “week of unemployment” as defined in § 625.2(w)(2) following the “date the major disaster began” as defined in § 625.2(e), and such unemployment is a direct result of the major disaster; or

(2) The individual is unable to reach the place where services as a self-employed individual are performed, as a direct result of the major disaster; or

(3) The individual was to commence regular services as a self-employed individual, but does not have a place or is unable to reach the place where the services as a self-employed individual were to be performed, as a direct result of the major disaster; or

(4) The individual cannot perform services as a self-employed individual because of an injury caused as a direct result of the major disaster.

(c) Unemployment is a direct result of the major disaster. For the purposes of paragraphs (a)(1) and (b)(1) of this section, a worker's or self-employed individual's unemployment is a direct result of the major disaster where the unemployment is an immediate result of the major disaster itself, and not the result of a longer chain of events precipitated or exacerbated by the disaster. Such an individual's unemployment is a direct result of the major disaster if the unemployment resulted from:

(1) The physical damage or destruction of the place of employment;

(2) The physical inaccessibility of the place of employment in the major disaster area due to its closure by or at the request of the federal, state or local government, in immediate response to the disaster; or

(3) Lack of work, or loss of revenues, provided that, prior to the disaster, the employer, or the business in the case of a self-employed individual, received at least a majority of its revenue or income from an entity in the major disaster area that was either damaged or destroyed in the disaster, or an entity in the major disaster area closed by the federal, state or local government in immediate response to the disaster.

PL 116-136, Sec. 2104(f)2 provides:

#### EMERGENCY INCREASE IN UNEMPLOYMENT COMPENSATION BENEFITS.

(f) Fraud and Overpayments. –

(1) In general. – If an individual knowingly has made, or caused to be made by another, a false statement or representation of a material fact, or knowingly has failed, or caused another to fail, to disclose a material fact, and as a result of such false statement or representation or of such nondisclosure such

individual has received an amount of Federal Pandemic Unemployment Compensation to which such individual was not entitled, such individual –

(A) Shall be ineligible for further Federal Pandemic Unemployment Compensation in accordance with the provisions of the applicable State unemployment compensation law relating to fraud in connection with a claim for unemployment compensation; and

(B) Shall be subject to prosecution under section 1001 of title 18, United States Code.

(2) Repayment – In the case of individuals who have received amounts of Federal Pandemic Unemployment Compensation to which they were not entitled, the State shall require such individuals to repay the amount of such Federal Pandemic Unemployment Compensation to the State agency, except that the State agency may waive such repayment if it determines that –

(A) the payment of such Federal Pandemic Unemployment Compensation was without fault on the part of any such individual and;

(B) such repayment would be contrary to equity and good conscience.

In determining whether the payment of PUA and FPUC benefits was without fault on the part of the claimant, several factors must be considered. Those factors include whether a material statement or representation was made by the claimant in connection with the application for benefits and whether the claimant knew or should have known that the statement was inaccurate; whether the claimant failed or caused another to fail to disclose a material fact in connection with the application for benefits that resulted in the overpayment and whether the claimant knew or should have known that the fact was material; whether the claimant knew or could have been expected to know that they were not entitled to the compensation payment; and whether the overpayment resulted directly or indirectly, and partially or totally, from any act or omission of the claimant or of which the claimant had knowledge and which was erroneous or inaccurate or otherwise wrong. *Cf.* Iowa Admin. Code r. 871-24.50(7)(factors for waiver of temporary extended unemployment compensation).

However, this is a two-pronged analysis, and claimant must also demonstrate that repayment would be contrary to equity and good conscience. Here, based upon the claimant's financial circumstances, recovery of the overpayment would not cause a financial hardship to the claimant. She testified that she earns \$26,592.00 per year and her husband earns \$26,868.00 per year.

Based on claimant's earnings the administrative law judge finds that claimant has the ability to repay the amounts she was overpaid. Therefore, the claimant's overpayment amount of \$1015.00 in PUA benefits, and FPUC benefits in the amount of \$2,400.00 shall not be waived. Claimant is obligated to repay the PUA and FPUC and benefits she received.

**DECISION:**

The March 14, 2023 (reference 12) unemployment insurance decision is affirmed. The claimant's overpayment of PUA benefits in the amount of \$1015.00, and FPUC benefits in the amount of \$2,400.00 is not waived, and she is obligated to repay those benefits.
