SECTION: 96.5-2-A, 96.5-1

DECISION

UNEMPLOYMENT BENEFITS ARE DENIED

The Claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. With the following modification, the administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED** with the following **MODIFICATION**:

The Employment Appeal Board would modify the administrative law judge's Reasoning and Conclusions of Law to reflect that even if we were to allow the Claimant's new and additional information, the Board would still find that the Claimant did not contact the Employer on December 26, 2015, nor did she return the Employer's December 30th call prior to the Employer's decision to terminate her on January 4, 2015.

The Claimant submitted additional evidence to the Board which was not contained in the administrative file and which was not submitted to the administrative law judge. While the additional evidence was reviewed for the purposes of determining whether admission of the evidence was warranted despite it not being presented at hearing, the Employment Appeal Board, in its discretion, finds that the admission of the additional evidence is not warranted in reaching today's decision. There is no sufficient cause why the new

	laimant was not presented at hearing. Accordingly all the s not been relied upon in making our decision, and has een wholly disregarded.
