**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 04/16/17
Claimant: Appellant (2)

Iowa Code § 96.19(38)a & b – Total and Partial Unemployment
Iowa Code § 96.7(2)a(2) – Same Base Period Employment
Iowa Code § 96.4(3) – Ability to and Availability for Work
Iowa Admin. Code r. 871-24.22(2)f – Availability for Work - Part-time Worker/Student
Iowa Admin. Code r. 871-23.43(4)a – Supplemental Employment

STATEMENT OF THE CASE:

Claimant filed an appeal from a decision of a representative dated May 18, 2017, (reference 06) that held claimant not able to and available for work for the one week ending April 29, 2017. After due notice, a hearing was scheduled for and held on June 8, 2017. Claimant participated personally. Employer participated by Rose Miller, General Manager. Employer's Exhibits 1-4 were admitted into evidence.

ISSUES:

Is the claimant partially unemployed and available for work?
If so, is the employer's account liable for potential charges?

FINDINGS OF FACT:

Having heard the testimony and having reviewed the evidence in the record, the administrative law judge finds: Claimant worked for Panther Ventures, a base period employer, part-time. In early April 2017 claimant was not being offered as many hours as contemplated at hire. She applied for unemployment benefits at that time. She also has other potentially qualifying wages in the base period history.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant is partially unemployed and this part-time employer is not relieved of benefits for the one week ending April 29, 2017.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code § 96.19(38) provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which, while employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

An individual shall be deemed partially unemployed in any week in which the individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Code § 96.7(2)a(2) provides:

2. Contribution rates based on benefit experience.

a. (2) The amount of regular benefits plus fifty percent of the amount of extended benefits paid to an eligible individual shall be charged against the account of the employers in the base period in the inverse chronological order in which the employment of the individual occurred.

However, if the individual to whom the benefits are paid is in the employ of a base period employer at the time the individual is receiving the benefits, and the individual is receiving the same employment from the employer that the individual received during the individual's base period, benefits paid to the individual shall not be charged against the account of the employer. This provision applies to both contributory and reimbursable employers, notwithstanding subparagraph (3) and § 96.8, subsection 5.

An employer's account shall not be charged with benefits paid to an individual who left the work of the employer voluntarily without good cause attributable to the employer or to an individual who was discharged for misconduct in connection with the individual's

employment, or to an individual who failed without good cause, either to apply for available, suitable work or to accept suitable work with that employer, but shall be charged to the unemployment compensation fund. This paragraph applies to both contributory and reimbursable employers, notwithstanding § 96.8, subsection 5.

The amount of benefits paid to an individual, which is solely due to wage credits considered to be in an individual's base period due to the exclusion and substitution of calendar quarters from the individual's base period under § 96.23, shall be charged against the account of the employer responsible for paying the workers' compensation benefits for temporary total disability or during a healing period under § 85.33, § 85.34, subsection 1, or § 85A.17, or responsible for paying indemnity insurance benefits.

Iowa Admin. Code r. 871-23.43(4)a provides in part:

(4) Supplemental employment.

a. An individual, who has been separated with cause attributable to the regular employer and who remains in the employ of the individual's part-time, base period employer, continues to be eligible for benefits as long as the individual is receiving the same employment from the part-time employer that the individual received during the base period. The part-time employer's account, including the reimbursable employer's account, may be relieved of benefit charges....

The claimant does have other base period wages, but the level of employment is not consistent with the base period wage history with this employer, she may be considered partially unemployed and this employer may be liable for benefit charges.

DECISION:

The May 18, 2017, (reference 06) unemployment insurance decision is reversed. The claimant is partially unemployed and benefits are allowed for the one week ending April 29, 2017, provided she is otherwise eligible. The account of this employer (account number 587834-000) may be charged for the one week ending April 29, 2017. The benefits withheld shall be paid to claimant, provided she is otherwise eligible.
