IOWA WORKFORCE DEVELOPMENT UNEMPLOYMENT INSURANCE APPEALS BUREAU

LISA M LILLIE

Claimant

APPEAL 21A-UI-16838-AD-T

ADMINISTRATIVE LAW JUDGE DECISION

IOWA WORKFORCE DEVELOPMENT DEPARTMENT

OC: 06/06/21

Claimant: Appellant (6)

lowa Code § 96.4(3) – Eligibility – A&A – Able to, available for, work search lowa Code Ch. 17A – lowa Administrative Procedure Act

Iowa Admin. Code r. 871-26.8(1) - Dismissal

STATEMENT OF THE CASE:

On July 30, 2021, Lisa Lillie (claimant/appellant) filed an appeal from the unemployment insurance decision dated July 27, 2021 (reference 04) that denied benefits as of July 18, 2021 based on a finding claimant did not report as required.

Before a hearing was held, the agency issued a favorable decision to the appellant, dated September 15, 2021 (reference 06) that allowed benefits effective July 18, 2021. This decision made the issue on appeal moot. Therefore, no testimony was necessary and no hearing was held.

ISSUE:

Should the appeal be dismissed because the issue on appeal has been resolved in the appellant's favor?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds:

The decision appealed has been administratively resolved in favor of the appellant by the unemployment insurance decision dated September 15, 2021 (reference 06) that allowed benefits effective July 18, 2021. This decision made the issue on appeal moot.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge dismisses the appeal.

Iowa Admin. Code r. 871-26.8(1) provides:

Withdrawals, dismissals, and postponements.

(1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of an administrative law judge or the manager or chief administrative law judge of the appeals bureau. Requests for withdrawal may be made in writing or orally, provided the oral request is recorded by the presiding officer.

An appeal may be dismissed upon the request of a party or in the agency's discretion when the issue or issues on appeal have been resolved in the appellant's favor.

Generally, courts and administrative tribunals do not decide issues when the underlying controversy is moot. *Rhiner v. State*, 703 N.W.2d 174, 176 (lowa 2005). "A case is moot if it no longer presents a justiciable controversy because the issues involved are academic or nonexistent." *Iowa Bankers Ass'n v. Iowa Credit Union Dep't*, 335 N.W.2d 439, 442 (lowa 1983). As the agency resolved the prior disqualification in favor of the appellant prior to the hearing, there is no issue for the administrative law judge to adjudicate rendering the appeal moot.

DECISION:

The appeal of the unemployment insurance decision dated July 27, 2021 (reference 04) that denied benefits as of July 18, 2021 based on a finding claimant did not report as required is dismissed, as it is moot.
