OC: 09/11/11
Claimant: Appellant (6)

871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

The claimant appealed a representative's October 5, 2011 determination (reference 01) that disqualified him from receiving benefits and held the employer's account exempt from charge because he had been discharged for disqualifying reasons. Prior to the scheduled November 1 hearing, the claimant made a request to withdraw his appeal. Based on the claimant's withdrawal request, the administrative record, and the law, the administrative law judge concludes the claimant is not qualified to receive benefits.

FINDINGS OF FACT:

On October 27, 2011, the claimant mailed his request to withdraw his appeal. The Appeals Section received the claimant's written withdrawal request on October 28, 2011.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

(1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The claimant's request to withdraw his appeal is approved.

DECISION:

The representative's October 5, 2011 determination (reference 01) is affirmed. The claimant's withdrawal request is approved. The claimant remains disqualified from receiving unemployment insurance benefits as of September 11, 2011. This disqualification continues until he has been paid ten times his weekly benefit amount for insured work, provided he is otherwise eligible. The employer's account will not be charged.
