871 IAC 26.8(1) - Withdrawal of Appeal

**STATEMENT OF THE CASE:**

An appeal was filed from an unemployment insurance decision dated September 19, 2006, reference 02. A hearing was scheduled for October 4, 2006. Prior to the hearing being held, the appellant requested the appeal be withdrawn.

**FINDINGS OF FACT:**

A request has been made by the appealing party to withdraw the appeal. The request was submitted in writing.

**REASONING AND CONCLUSIONS OF LAW:**

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The administrative law judge has reviewed the records and files herein and concludes that the request of the appealing party to withdraw the appeal should be approved. The reason for the withdrawal is that the Agency has issued a decision that corrected what the claimant was appealing.

DECISION:

The appeal from the unemployment insurance decision dated September 19, 2006, reference 02, is withdrawn since the decision has been amended and the claimant does not disagree with the amended decision.
