Claimant: Appellant (2)**

---

Iowa Code § 96.4(3) – Able and Available

**STATEMENT OF THE CASE:**

The claimant did not file an appeal from the February 20, 2015, (reference 07), unemployment insurance decision that denied benefits. The agency representative decision was reversed by a decision entered on February 21, 2015 that reversed the denial of benefits and allowed benefits. An IWD appeals employee entered this appeal in error.

**ISSUE:**

Should the appeal be dismissed as it was entered in error?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant did not appeal this decision. It has been reversed by subsequent agency action.

**REASONING AND CONCLUSIONS OF LAW:**

The administrative law judge has reviewed the records and files herein and concludes that the appeal should be reversed.

**DECISION:**

The appeal from the February 20, 2015 reference 07, decision is reversed so as to correct the entering error and to be consistent with subsequent agency action.
