EXPRESS SERVICES INC
Employer

OC: 11/16/14
Claimant: Respondent (6)

871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

The employer appealed a representative's December 10, 2014 determination (reference 03) that held the claimant qualified to receive benefits because her employment separation was for nondisqualifying reasons. A hearing was scheduled on January 15, 2015. The claimant did not respond to the hearing notice or participate at the hearing. When the employer was called for the hearing, the employer withdrew its appeal. Based on the employer's withdrawal request, the administrative record, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

FINDINGS OF FACT:

The employer withdrew the appeal from a representative's December 10, 2014 determination (reference 03). The employer's January 15, 2015 withdrawal request was recorded.

The employer is not one of the claimant's base period employers.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is recorded by the presiding officer.

The employer's request to withdraw this appeal is approved.

DECISION:

The representative's December 10, 2014 determination (reference 03) is affirmed. The employer's withdrawal request is approved. This means as of November 19, 2014, the claimant remains qualified to receive benefits. Since the employer is not a base period employer, its account will not be charged during the claimant's current benefit year.
