APPEAL 22A-UI-11851-JD-T

ADMINISTRATIVE LAW JUDGE DECISION

IOWA WORKFORCE DEVELOPMENT DEPARTMENT

> OC: 04/17/22 Claimant: Appellant (2)

lowa Code § 96.4(3) – Ability to and Availability for Work lowa Admin. Code r. 871-24.22(2) – Able & Available – Benefits Eligibility Conditions lowa Admin. Code r. 871-24.2(1)(e) – Able & Available – Report as Directed by Department lowa Admin. Code r. 871-24.3(2) – Able & Available – Identity Verification

STATEMENT OF THE CASE:

Claimant filed an appeal from the May 3, 2022 (reference 02) unemployment insurance decision that allowed benefits effective May 1, 2022, based upon a determination that claimant initially failed to provide verification of identity but subsequently did so. Claimant was properly notified of the hearing. A telephone hearing was held on June 22, 2022. Claimant participated. No exhibits were admitted. Official notice was taken of the administrative record.

ISSUES:

Whether claimant was able to and available for work. Whether claimant failed to report as directed by a department representative. Whether claimant timely provided verification of identity

FINDINGS OF FACT:

On April 20, 2022, the agency mailed claimant a letter also stating that if he was unable to provide proof of his identity by April 26, 2022, "benefits may be delayed and ... claim may be canceled." Claimant received the letter after the April 26, 2022 deadline. Claimant responded to the letter by providing proof of identity on or about May 2, 2022 by mailing a copy of his driver's license and social security card to lowa Workforce Development. The documents were received by lowa Workforce Development on or about May 3, 2022. Claimant's unemployment insurance claim was unlocked on May 1, 2022. On May 3, 2022, the agency issued a decision finding claimant eligible for benefits effective May 1, 2022, as he provided the requested identity verification documents.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant was able to and available for work effective April 17, 2022.

Each week a claimant files a claim for benefits he must be able to and available for work. Iowa Code § 96.4(3). To maintain continued eligibility, a claimant shall report as directed by an

authorized representative. 871 IAC 24.2(1)e. A claimant who fails to report as directed by notice mailed to the claimant is deemed unavailable for work. 871 IAC 24.23(11).

Iowa Admin. Code r. 871-24.3 provides:

A claim will not become valid until the identity of the claimant has been verified by the department.

(1) Upon the filing of a claim, notification shall be provided to the claimant if the claimant's identity was not verified.

(2) If the agency is unable to verify the claimant's identity in the claim application, the claimant must provide approved documents. Approved documents must include at least one document containing a social security number. The department shall determine the approved documents required to verify identity. The list of approved documents can be found at the nearest local workforce center or online.

(3) The claimant's identity will not be considered verified until approved documents have been provided. The claim shall remain locked from issuance of benefits until the claimant has provided the approved documents to verify identity.

(4) After filing a claim application, the claimant shall not be eligible for benefits for any week until approved documents are provided to verify identity.

(5) Approved documents must be provided or postmarked by Saturday at 11:59 p.m. of the week in which the approved documentation is due, and the claim shall be unlocked for all weeks following the most recent effective date of the claim application.

(6) If required documents are provided in any subsequent weeks following the due date, the claimant shall be eligible, provided there are no other outstanding issues with the claim, as of the Sunday of the week the claimant's identity was verified.

Iowa Admin. Code r. 871-24.23(11) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

In this case, claimant did not receive the notification to provide verification of his identity by April 26, 2022, until after that date. Claimant provided the requested documentation until May 2, 2022, as soon as he received the notice. The claimant provided proof of identity as soon as he received written notification. Benefits are allowed effective April 17, 2022.

DECISION:

The May 3, 2022 (reference 02) unemployment insurance decision is reversed. Claimant provided proof of identity immediately after receiving the mailed notice that his identity required verification. Benefits are allowed effective April 17, 2022.
