JONAY PRICE
Claimant

APPEAL 21A-UI-17193-DZ-T
**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

OC: 07/12/20
Claimant: Appellant (1R)

PL116-136, Sec. 2104 – Federal Pandemic Unemployment Compensation

STATEMENT OF THE CASE:

Jonay Price, the claimant/appellant, filed an appeal from the July 27, 2021, (reference 11) unemployment insurance decision that concluded she was overpaid Federal Pandemic Unemployment Compensation (FPUC) benefits in the amount of \$1,200.00. Ms. Price was properly notified of the hearing. A telephone hearing was held on September 29, 2021. Ms. Price participated and testified. The administrative law judge took official notice of the administrative record.

ISSUES:

Has Ms. Price been overpaid FPUC benefits?

FINDINGS OF FACT:

Having reviewed the evidence in the record, the administrative law judge finds: Ms. Price received FPUC benefits in the amount of \$1,200.00 for 2 weeks between July 12, 2020 and July 25, 2020.

FPUC is a program under the Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020 that provides additional payment to those individuals that are receiving state or federal unemployment insurance (UI) payments. It is funded by the federal government, not by state unemployment taxes paid by employers. The FPUC amount was \$600 per week from April 5, 2020 through July 31, 2020.

On September 2, 2020, Iowa Workforce Development issued a reference 01 decision finding Ms. Price was not eligible for REGULAR UI benefits due to a voluntary quit. The administrative law judge's decision in Appeal 21A-UI-17191-DZ-T affirmed the reference 01 decision.

Ms. Price applied for Pandemic Unemployment Assistance (PUA) benefits on December 2, 2020. Iowa Workforce Development has not made a decision on Ms. Price's PUA applications.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the Ms. Price has been overpaid FPUC benefits.

Iowa Code §96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) (a) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

PL116-136, Sec. 2104 provides, in pertinent part:

(b) Provisions of Agreement

(1) Federal pandemic unemployment compensation.--Any agreement under this section shall provide that the State agency of the State will make payments of regular compensation to individuals in amounts and to the extent that they would be determined if the State law of the State were applied, with respect to any week for which the individual is (disregarding this section) otherwise entitled under the State law to receive regular compensation, as if such State law had been modified in a manner such that the amount of regular compensation (including dependents' allowances) payable for any week shall be equal to

(A) the amount determined under the State law (before the application of this paragraph), plus

(B) an additional amount of \$600 (in this section referred to as "Federal Pandemic Unemployment Compensation").

....

(f) Fraud and Overpayments

(2) Repayment.--In the case of individuals who have received amounts of Federal Pandemic Unemployment Compensation to which they were not entitled, the State shall require such individuals to repay the amounts of such Federal Pandemic Unemployment Compensation to the State agency...

Because Ms. Price is disqualified from receiving REGULAR UI benefits, she is also disqualified from receiving FPUC benefits. While Iowa law does not require a claimant to repay regular UI benefits when the employer does not participate in the fact-finding interview, the CARES Act

makes no such exception for the repayment of FPUC benefits. Therefore, the determination of whether Ms. Price must repay FPUC does not hinge on the employer's participation in the fact-finding interview. The administrative law judge concludes that Ms. Price has been overpaid FPUC benefits in the gross amount of \$1,200.00 for 2 weeks between July 12, 2020 and July 25, 2020, which should be repaid.

DECISION:

The July 27, 2021, (reference 11) unemployment insurance decision is affirmed. Ms. Price has been overpaid FPUC benefits in the amount of \$1,200.00, which must be repaid.

REMAND:

This matter is remanded (sent back) to the Benefits Bureau of Iowa Workforce Development to determine whether Ms. Price is eligible for PUA (federal) benefits, and if so, for a review of whether Ms. Price is eligible for FPUC benefits.
