## DECISION

## **UNEMPLOYMENT BENEFITS ARE DENIED**

The Claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. With the following modification, the administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED** with the following **MODIFICATION**:

The Employment Appeal Board would modify the administrative law judge's Findings of Fact as follows:

On p. 2, first partial paragraph, fifth line, the Board would strike a portion of this sentence: ... The claimant could produce no proof that he had permission from his employer to obtain payment from anyone else while he was on the clock for the employer... and replace it with, ... Credible evidence fails to support that the Claimant had proof ...

Lastly, the Claimant has requested this matter be remanded for a new hearing. The Employment Appeal Board finds the applicant did not provide good cause to remand this matter. Therefore, the remand request is **DENIED**.
