**CLAY CENTRAL/EVERLY COMMUNITY  
SCHOOL DISTRICT**  
Employer

**OC: 05/29/11**  
**Claimant: Respondent (1)**

Section 96.4-5 – Reasonable Assurance

**STATEMENT OF THE CASE:**

The employer filed a timely appeal from an unemployment insurance decision dated July 6, 2011, reference 01, that allowed benefits to the claimant. After due notice was issued, a telephone hearing was held August 8, 2011 with the claimant participating. Superintendent Robert Reymer participated for the employer.

**ISSUE:**

Does the claimant have reasonable assurance of continued employment?

**FINDINGS OF FACT:**

Lisa A. Skaar was a full-time teacher for the Clay Central/Everly Community School District during the 2010-2011 school year. Her contract was not renewed because of budgetary concerns. As of May 29, 2011, the effective date of her unemployment insurance claim, she did not have reasonable assurance of continued employment at any educational institution.

**REASONING AND CONCLUSIONS OF LAW:**

Iowa Code section 96.4-5-a provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

5. Benefits based on service in employment in a nonprofit organization or government entity, defined in section 96.19, subsection 18, are payable in the same amount, on the same terms and subject to the same conditions as compensation payable on the same basis of other service subject to this chapter, except that:

a. Benefits based on service in an instructional, research, or principal administrative capacity in an educational institution including service in or provided to or on behalf of an educational institution while in the employ of an educational service agency, a

government entity, or a nonprofit organization shall not be paid to an individual for any week of unemployment which begins during the period between two successive academic years or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, if the individual has a contract or reasonable assurance that the individual will perform services in any such capacity for any educational institution for both such academic years or both such terms.

The evidence establishes that the claimant's employment was terminated because of budgetary matters and that as of the date of her unemployment insurance claim she did not have reasonable assurance of continued employment with this district or any other. Under those circumstances, benefits are allowed.

**DECISION:**

The unemployment insurance decision dated July 6, 2011, reference 01, is affirmed. The claimant is entitled to receive unemployment insurance benefits, provided she is otherwise eligible.
