OC: 03/14/21

Claimant: Appellant (1)

Iowa Code § 96.1A(37) – Definitions – Total, partial unemployment
Iowa Code § 96.4(3) – Eligibility – A&A – Able to, available for, work search
Iowa Code § 96.7(2)A(2) – Charges – Same base period employment
Iowa Admin. Code r. 871-24.23(26) – Eligibility – A&A – Part-time same hours, wages
Iowa Code § 96.6(2) – Filing – Timely Appeal
Iowa Admin. Code r. 871-24.35 – Filing

STATEMENT OF THE CASE:

Claimant filed an appeal from the June 9, 2021 (reference 02) unemployment insurance decision that denied benefits. The parties were properly notified of the hearing. A telephone hearing was held on September 3, 2021, at 9:00 a.m. Claimant participated. Employer participated through Barbara Buss, Hearing Representative, and Kim Stevens, Human Resources Manager. No exhibits were admitted. Official notice was taken of the administrative record.

ISSUES:

Whether claimant filed a timely appeal.
Whether claimant is totally, partially or temporarily unemployed.
Whether claimant is able to and available for work.
Whether claimant is still employed at the same hours and wages.
Whether employer's account is subject to charge.

FINDINGS OF FACT:

Having reviewed the evidence in the record, the administrative law judge finds: The Unemployment Insurance Decision was mailed to claimant at the correct address on June 9, 2021. Claimant received the decision on or about June 14, 2021.

The decision states that it becomes final unless an appeal is postmarked or received by Iowa Workforce Development Appeals Section by June 19, 2021. Claimant appealed the decision online on July 13, 2021. Claimant's appeal was received by Iowa Workforce Development on July 13, 2021. Claimant did not appeal the decision prior to the deadline because she was confused about unemployment insurance benefits and how they applied to her employment situation.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes claimant's appeal was untimely.

Iowa Code § 96.6(2) provides, in pertinent part: "[u]nless the claimant or other interested party, after notification or within ten calendar days after notification was mailed to the claimant's last known address, files an appeal from the decision, the decision is final and benefits shall be paid or denied in accordance with the decision."

Iowa Admin. Code r. 871-24.35(1) provides:

1. Except as otherwise provided by statute or by division rule, any payment, appeal, application, request, notice, objection, petition, report or other information or document submitted to the division shall be considered received by and filed with the division:

(a) If transmitted via the United States Postal Service on the date it is mailed as shown by the postmark, or in the absence of a postmark the postage meter mark of the envelope in which it is received; or if not postmarked or postage meter marked or if the mark is illegible, on the date entered on the document as the date of completion.

(b) If transmitted via the State Identification Data Exchange System (SIDES), maintained by the United States Department of Labor, on the date it was submitted to SIDES.

(c) If transmitted by any means other than [United States Postal Service or the State Identification Data Exchange System (SIDES)], on the date it is received by the division.

Iowa Admin. Code r. 871-24.35(2) provides:

2. The submission of any payment, appeal, application, request, notice, objection, petition, report or other information or document not within the specified statutory or regulatory period shall be considered timely if it is established to the satisfaction of the division that the delay in submission was due to division error or misinformation or to delay or other action of the United States postal service.

The Iowa Supreme Court has declared that there is a mandatory duty to file appeals from representatives' decisions within the time allotted by statute, and that the administrative law judge has no authority to change the decision of a representative if a timely appeal is not filed. *Franklin v. IDJS*, 277 N.W.2d 877, 881 (Iowa 1979). Compliance with appeal notice provisions is jurisdictional unless the facts of a case show that the notice was invalid. *Beardslee v. IDJS*, 276 N.W.2d 373, 377 (Iowa 1979); see also *In re Appeal of Elliott* 319 N.W.2d 244, 247 (Iowa 1982). The question in this case thus becomes whether the appellant was deprived of a reasonable opportunity to assert an appeal in a timely fashion? *Hendren v. IESC*, 217 N.W.2d 255 (Iowa 1974); *Smith v. IESC*, 212 N.W.2d 471, 472 (Iowa 1973).

Claimant received the decision prior to the appeal deadline but did not appeal the decision until after the deadline. Claimant's delay was not due to agency error or misinformation or delay of the United States Postal Service. The appeal was not timely. Therefore, the administrative law judge lacks jurisdiction to make a determination with respect to the nature of the appeal.

DECISION:

Claimant's appeal was not timely. The administrative law judge has no authority to change the decision of the representative. The June 9, 2021 (reference 02) unemployment insurance decision is affirmed.
