**STATEMENT OF THE CASE:**

**ISSUE:**

The issue is whether the appeal should be withdrawn.

**FINDINGS OF FACT:**

The administrative law judge, having considered the evidence in the record, finds that: A request has been made by the appealing party to withdraw the appeal. The request has been submitted in writing. Subsequent to claimant's filing the appeal, she was granted PEUC benefits.

**REASONING AND CONCLUSIONS OF LAW:**

Iowa Admin. Code r. 871-26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of an administrative law judge or the manager or chief administrative law judge of the appeals bureau. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

An appeal may be dismissed upon the request of a party or in the agency's discretion when the issue or issues on appeal have been resolved in the appellant's favor.

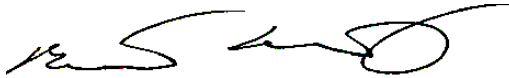

The administrative law judge has reviewed the records and files herein and concludes that the request of the appealing party to withdraw the appeal should be approved.

No hearing shall be held in this matter.

**DECISION:**
