APPEAL 18A-UI-01442-DL-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE DEVELOPMENT
DEPARTMENT**

OC: 08/13/17
Claimant: Appellant (2)

Iowa Code § 96.4(3) - Able and Available
Iowa Admin. Code r. 871-24.2(1)e – Notice to Report
Iowa Admin. Code r. 871-24.23(11) – Failure to Report

STATEMENT OF THE CASE:

The claimant filed an appeal from the January 25, 2018, (reference 05), unemployment insurance decision that denied benefits based upon filing a weekly continued claim indicating unavailability for work the week-ending January 6, 2018. After due notice was issued, a telephone conference hearing was scheduled to be held on February 26, 2018. Claimant's appeal letter was sufficient to resolve the issues and no hearing was held.

ISSUES:

Is the claimant able to work and available for work the week-ending January 6, 2018?
Did the claimant fail to report as directed or offer a good cause reason for failure to do so?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: A notice was mailed to the claimant to report to IWD on January 24, 2018. He did not report because he did not receive the notice until January 31, 2018. Claimant made a keystroke error when filing the weekly continued claim indicating he was not able to or available for work for the week-ending January 6, 2018. Claimant was able to and available for work during the week at issue.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the underlying issue was the result of a reporting error, and the claimant has established a good cause reason for having failed to report as directed.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or

temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.2(1)e provides:

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

The method of reporting shall be weekly if a voice response continued claim is filed, unless otherwise directed by an authorized representative of the department. An individual who files a voice response continued claim will have the benefit payment automatically deposited weekly in the individual's account at a financial institution or be paid by the mailing of a warrant on a biweekly basis.

...

The department retains the ultimate authority to choose the method of reporting and payment.

Iowa Admin. Code r. 871-24.23(11) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

Since he did not receive the notice until after the reporting deadline, claimant has established a good cause reason for failing to report as directed, and because the weekly claim entry indicating he was not available for work was made in error, benefits are allowed.

DECISION:

The January 25, 2018, (reference 05) unemployment insurance decision is reversed. The claimant has established a good cause reason for failing to report as directed. The underlying issue was the result of a reporting error. Benefits are allowed for the week-ending January 6, 2018, provided he is otherwise eligible.
