APPEAL 18A-UI-01281-H2T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE DEVELOPMENT
DEPARTMENT**

OC: 12/24/17
Claimant: Appellant (2)

Iowa Code § 96.4(3) – Available for work
Iowa Code § 96.4(7) – Reemployment services
Iowa Admin. Code r. 871-24.6 – Profiling for reemployment services
Iowa Admin. Code r. 871-24.2(1)e – Procedures for workers desiring to file a claim for benefits
Iowa Admin. Code r. 871-24.23 (11) – Failure to Report
Iowa Admin. Code r. 871-24.11 – Eligibility review program

STATEMENT OF THE CASE:

The claimant/appellant filed an appeal from the January 23, 2018 (reference 01) unemployment insurance decision that found claimant was not eligible for unemployment benefits because claimant failed to participate in reemployment services. The parties were properly notified of the hearing. A telephone hearing was held on February 22, 2018. The claimant, Tammy L Wiese, participated personally. Mike Barr, Workforce Advisor was to participate on behalf of Iowa Workforce Development but he did not answer the telephone when called to begin the hearing.

ISSUES:

Is the claimant available for work effective January 21, 2018?
Did the claimant fail to report as directed by a department representative or offer justifiable cause for their failure to do so?
Did the claimant fail to participate in a reemployment services class as directed or offer justifiable cause for their failure to do so?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for unemployment insurance benefits with an effective date of December 24, 2017. Claimant was selected to participate in the reemployment services program. A notice was mailed to the claimant, which stated the claimant was to report for a reemployment services appointment on January 22, 2018. The claimant did receive the notice. She did not report for reemployment services because she began her new job on the same date. Claimant has not claimed benefits since she began her new job.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant did provide justifiable cause for failure to report as directed to participate in reemployment services appointment.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code § 96.4(7) provides:

Required findings.

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

(7) The individual participates in reemployment services as directed by the department pursuant to a profiling system, established by the department, which identifies individuals who are likely to exhaust benefits and be in need of reemployment services.

Iowa Admin. Code r. 871-24.6 provides:

Profiling for reemployment services.

(1) The department of workforce development and the department of economic development will jointly provide a program which consists of profiling claimants and providing reemployment services.

(2) Profiling is a systematic procedure used to identify claimants who, because of certain characteristics, are determined to be permanently separated and most likely to exhaust benefits. Such claimants may be referred to reemployment services.

(3) Reemployment services may include, but are not limited to, the following:

- a. An assessment of the claimant's aptitude, work history, and interest.
- b. Employment counseling regarding reemployment approaches and plans.
- c. Job search assistance and job placement services.
- d. Labor market information.
- e. Job search workshops or job clubs and referrals to employers.
- f. Résumé preparation.
- g. Other similar services.

(4) As part of the initial intake procedure, each claimant shall be required to provide the information necessary for profiling and evaluation of the likelihood of needing reemployment assistance.

(5) The referral of a claimant and the provision of reemployment services is subject to the availability of funding and limitations of the size of the classes.

(6) A claimant shall participate in reemployment services when referred by the department unless the claimant establishes justifiable cause for failure to participate or the claimant has previously completed such training or services. Failure by the claimant to participate without justifiable cause shall disqualify the claimant from the receipt of benefits until the claimant participates in the reemployment services.

a. Justifiable cause for failure to participate is an important and significant reason which a reasonable person would consider adequate justification in view of the paramount importance of reemployment to the claimant.

This rule is intended to implement Iowa code section 96.4(7).

Iowa Admin. Code r. 871-24.2(1)e provides:

Procedures for workers desiring to file a claim for benefits for unemployment insurance.

(1) Section 96.6 of the employment security law of Iowa states that claims for benefits shall be made in accordance with such rules as the department prescribes. The department of workforce development accordingly prescribes:

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

The method of reporting shall be weekly if a voice response continued claim is filed, unless otherwise directed by an authorized representative of the department. An individual who files a voice response continued claim will have the benefit payment automatically deposited weekly in the individual's account at a financial institution or be paid by the mailing of a warrant on a biweekly basis.

In order for an individual to receive payment by direct deposit, the individual must provide the department with the appropriate bank routing code number and a checking or savings account number. The department retains the ultimate authority to choose the method of reporting and payment.

Iowa Admin. Code r. 871-24.23(11) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

The claimant did not attend her appointment because she started her new job. There is no administrative rule that allows a claimant's claim to be denied if they fail to notify the agency they will not attend the scheduled appointment. The administrative law judge is only allowed to consider why they missed the scheduled appointment for a justifiable cause. Beginning a new job is considered justifiable cause for the claimant's failure to participate in reemployment services. Benefits are allowed.

DECISION:

The January 23 2018, (reference 01) unemployment insurance decision is reversed. The claimant has not failed to report for a reemployment services appointment as directed. Benefits are allowed effective January 21, 2018, provided claimant is otherwise eligible.
