**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 03/12/23
Claimant: Appellant (6)

Iowa Code Section 96.4(5) – Between Academic Terms
Iowa Administrative Code rule 871-26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

Bruce King (claimant) filed a timely appeal from the April 4, 2023 (reference 01) decision that denied benefits for the period beginning March 12, 2023, based on the deputy's determination the claimant was an employee of an educational institution, the period of unemployment was during an academic break, and the claimant had reasonable assurance of continued employment in the same or similar capacity. A hearing was scheduled for May 1, 2023. The claimant appeared. The employer appeared through Megan Pole. There were five appeal numbers set for a consolidated hearing: 23A-UI-03841-JT-T, 23A-UI-03842-JT-T, 23A-UI-03843-JT-T, 23A-UI-03844-JT-T, 23A-UI-03845-JT-T. Prior to the presentative of evidence, the claimant/appellant requested that the appeal be withdrawn.

ISSUE:

Should the appellant's request to withdraw the appeal be granted.

FINDINGS OF FACT:

The claimant is the named appellant in this matter. On May 1, 2023, the claimant requested that the appeal be withdrawn. The request was made after an on-the-record discussion regarding the law pertaining to original claim date, base period, base period employment, base period wages, and base period employer liability. The on-the-record discussion included review of DBRO, KCCO, WAGE-A, and WAGE-C records. The request was made before the administrative law judge entered a decision in connection with the appeal.

REASONING AND CONCLUSIONS OF LAW:

Iowa Admin. Code r. 871-26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of an administrative law judge or the manager or chief administrative law judge of the appeals bureau. Requests for

withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

An appeal may be dismissed upon the request of a party or in the agency's discretion when the issue or issues on appeal have been resolved in the appellant's favor.

The administrative law judge concludes that the claimant's timely request to withdraw the appeal should be approved.

DECISION:

The claimant's request to withdraw the appeal is approved. The April 4, 2023 (reference 01) Between Academic Terms disqualification decision remains in effect.

Because the claimant only made a claim for the week of March 12-18, 2023, the reference 01 decision applies to that week. If the claimant files an additional claim for benefits for a future period that includes an academic break from this employment, the Between Academic Terms issue pertaining to that future period will be addressed in connection with that future additional claim.

2. Si nadie presenta una apelación de la decisión del juez ante la Junta de Apelaciones Laborales dentro de los quince (15) días, la decisión se convierte en acción final de la agencia y usted tiene la opción de presentar una petición de revisión judicial en el Tribunal de Distrito dentro de los treinta (30) días después de que la decisión adquiriera firmeza.
