DECISION

**UNEMPLOYMENT BENEFITS ARE DENIED**

The Claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. With the following modification, the administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED** with the following **MODIFICATION**:

The Employment Appeal Board would modify the administrative law judge's Reasoning and Conclusions of Law to include the following as supportive legal analysis:

10445

In addition, we would find the last absence could also be considered insubordination when the Claimant purposely failed to report to work after being direct to report for inventory.
