**OC: 11/23/14
Claimant: Appellant (2)**

Iowa Code § 96.4(3) – Able to and Available for Work

STATEMENT OF THE CASE:

The claimant appealed a representative's March 9, 2015 (reference 02) determination that held him ineligible to receive benefits as of February 22, 2015, because he did not report as directed. After the claimant appealed the March 9 determination, another determination on March 16, 2015 (reference 04) was issued that resolved the issue the claimant appealed. As a result there is no need for hearing. Based on the administrative record and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

ISSUE:

Is the claimant eligible to receive benefits as of February 22, 2015?

FINDINGS OF FACT:

The claimant established a claim for benefits during the week of November 24, 2014. The claimant appealed a representative March 9, 2015 determination that held him ineligible to receive benefits as of February 22, 2015. The Benefits Bureau issued a March 16, 2015 (reference 04) determination that amended the March 9 determination and held the claimant was eligible to receive benefits as of February 22, 2015 because he had a good reason for not reporting. The March 16 determination resolved the issue the claimant appealed.

REASONING AND CONCLUSIONS OF LAW:

A March 16, 2015 (reference 04) determination amended the March 9, 2015 (reference 02) determination that held the claimant ineligible to receive benefits as of February 22, 2015. Since the March 16, 2015 determination held the claimant eligible to receive benefits as of February 22, the issue the claimant appealed has been resolved in his favor without a hearing.

DECISION:

The representative's March 9, 2015 (reference 02) determination is reversed by a March 16, 2015 (reference 04) determination. Based on the March 16 determination, the claimant is eligible to receive benefits as of February 22, 2015.
