(Decision Dated & Mailed)

Section 96.4(3) – Work Search

STATEMENT OF THE CASE:

The claimant, David Robinson, filed an appeal from a decision dated May 23, 2006, reference 04. The decision warned him to make two in-person job contacts per week in order to maintain eligibility to receive unemployment benefits. After due notice was issued, a hearing was held by telephone conference call on June 26, 2006. The claimant participated on his own behalf.

FINDINGS OF FACT:

Having heard the testimony of the witness and having examined all of the evidence in the record, the administrative law judge finds: David Robinson filed a claim for unemployment

benefits with an effective date of April 2, 2006. He was to make two in-person contacts every week in order to maintain eligibility for unemployment benefits.

For the week ending May 20, 2006, he called in his claim and indicated he had not made two in-person job contacts for that week. This was an error in the reporting and the claimant has provided the names of at least two job contacts for the week in question.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant has established he had made the required two work contacts for the week ending May 20, 2006.

DECISION:

The representative's decision of May 23, 2006, reference 04, is reversed. The claimant made the required number of work searches for the week in question.
