APPEAL 17A-UI-07463-CL-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 01/01/17
Claimant: Appellant (2)

Iowa Code § 96.6(1) – Filing Claims
Iowa Admin. Code r. 871-24.2(1)a & h(1) & (2) – Backdating

STATEMENT OF THE CASE:

Claimant filed a timely appeal from the July 18, 2017, (reference 01) unemployment insurance decision that denied the request to backdate the additional claim for benefits prior to July 9, 2017. After due notice was issued, a hearing was scheduled to be held by telephone conference call on August 10, 2017. Claimant participated. Employer participated through human resource director, Mitzi Tann. Claimant's Exhibit A was received. Employer's Exhibit 1 was received.

ISSUE:

May the additional claim be backdated prior to July 9, 2017?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for benefits with an effective date of January 1, 2017, and an additional claim date effective July 9, 2017, and desires to backdate the additional claim to July 2, 2017. Claimant was laid off during the one week ending July 8, 2017. Claimant earned no wages or holiday or vacation pay that week. Claimant attempted to file his initial claim on Monday, July 3, 2017, and thought he had successfully done so. He had not. When claimant attempted to file his continued weekly claim that weekend, he was unable to do so. Claimant contacted his local office on Monday, July 10, 2017. On July 10, 2017, claimant filed his initial claim and requested that it be backdated.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant's request to backdate the claim is granted.

Iowa Code § 96.6(1) provides:

1. Filing. Claims for benefits shall be made in accordance with such regulations as the department may prescribe.

Iowa Admin. Code r. 871-24.2(1)h(1) and (2) provide:

Procedures for workers desiring to file a claim for benefits for unemployment insurance.

(1) § 96.6 of the employment security law of Iowa states that claims for benefits shall be made in accordance with such rules as the department prescribes. The department of workforce development accordingly prescribes:

h. Effective starting date for the benefit year.

(1) Filing for benefits shall be effective as of Sunday of the current calendar week in which, subsequent to the individual's separation from work, an individual reports in person at a workforce development center and registers for work in accordance with paragraph "a" of this rule.

(2) The claim may be backdated prior to the first day of the calendar week in which the claimant does report and file a claim for the following reasons:

Backdated prior to the week in which the individual reported if the individual presents to the department sufficient grounds to justify or excuse the delay;

There is scheduled filing in the following week because of a mass layoff;

The failure of the department to recognize the expiration of the claimant's previous benefit year;

The individual is given incorrect advice by a workforce development employee;

The claimant filed an interstate claim against another state which has been determined as ineligible;

Failure on the part of the employer to comply with the provisions of the law or of these rules;

Coercion or intimidation exercised by the employer to prevent the prompt filing of such claim;

Failure of the department to discharge its responsibilities promptly in connection with such claim, the department shall extend the period during which such claim may be filed to a date which shall be not less than one week after the individual has received appropriate notice of potential rights to benefits, provided, that no such claim may be filed after the 13 weeks subsequent to the end of the benefit year during which the week of unemployment occurred. In the event continuous jurisdiction is exercised under the provisions of the law, the department may, in its discretion, extend the period during which claims, with respect to week of unemployment affected by such redetermination, may be filed.

Inability to file an electronic claim due to the system being inoperable is considered a good cause reason for the delay in filing the claim.

DECISION:

The July 18, 2017, (reference 01) unemployment insurance decision is reversed. The claimant's request to backdate the additional claim to July 2, 2017, is granted, as are retroactive benefits for the same time period. Claimant earned no wages or holiday or vacation pay during the one week ending July 8, 2017.
