(Decision Dated & Mailed)

Section 96.4-3 - Able and Available

STATEMENT OF THE CASE:

Employer filed an appeal from a decision of a representative dated June 21, 2004, reference 01, which held claimant able and available for work. After due notice, a telephone conference hearing was scheduled for and held on August 16, 2004. Claimant participated personally. Employer participated by Daniel Bolgren, DDS. Exhibit One was admitted into evidence

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds: Claimant failed to work two half days during the period of requested unemployment. Claimant made up for the first day by working an extra four hours later in the week. Claimant found a substitute to work the four hours on the second day. Employer was aware of the change in hours. Employer authorized claimant off the first day, and the second day was with the employer's knowledge and not necessarily authorized. Claimant lost at the most four hours each week. A coworker at claimant's request covered the hours for the second day.

REASONING AND CONCLUSIONS OF LAW:

The issue in this matter is whether claimant is able and available for work.

Iowa Code Section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Benefits shall be allowed effective May 24, 2004. The lost four hours per week does not make claimant not available for work. The majority of the week was still available for work. This is not sufficient lost time to remove claimant from availability for gainful employment.

DECISION:

The decision of the representative dated June 21 2004, reference 01 is affirmed. Claimant is eligible to receive unemployment insurance benefits, effective May 24, 2004, provided claimant meets all other eligibility requirements.
