**ADMINISTRATIVE LAW JUDGE
DECISION**

CLEAN CUT PROPERTY SERVICES INC
Employer

OC: 06/20/10
Claimant: Respondent (1)

Section 96.4-3 – Able and Available

STATEMENT OF THE CASE:

Employer filed an appeal from a decision of a representative dated January 18, 2011, reference 02, which held claimant eligible for unemployment insurance benefits. After due notice, a telephone conference hearing was scheduled for and held on February 23, 2011. Claimant participated personally. Employer failed to respond to the hearing notice and did not participate. Employer called after the hearing was over to request participation. Employer did not have a control number to verify that they had called in with the name and number of a representative. Employer did not call within five minutes of the start time as instructed when calling in. Exhibit One was admitted into evidence.

ISSUE:

The issue in this matter is whether claimant is able and available for work.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds: Claimant was off work two days for a deer hunt. Claimant had permission in advance. Claimant was absent December 10 and December 11, 2010. Claimant has been able and available for full-time work at all times since.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements

of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

871 IAC 24.22(1)a provides:

Benefits eligibility conditions. For an individual to be eligible to receive benefits the department must find that the individual is able to work, available for work, and earnestly and actively seeking work. The individual bears the burden of establishing that the individual is able to work, available for work, and earnestly and actively seeking work.

(1) Able to work. An individual must be physically and mentally able to work in some gainful employment, not necessarily in the individual's customary occupation, but which is engaged in by others as a means of livelihood.

a. Illness, injury or pregnancy. Each case is decided upon an individual basis, recognizing that various work opportunities present different physical requirements. A statement from a medical practitioner is considered prima facie evidence of the physical ability of the individual to perform the work required. A pregnant individual must meet the same criteria for determining ableness as do all other individuals.

871 IAC 24.23(35) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(35) Where the claimant is not able to work and is under the care of a physician and has not been released as being able to work.

Claimant was available for the majority of the workweek ending December 11, 2010. The two days off did not make claimant not able and available for work. Benefits shall be allowed effective December 12, 2010.

DECISION:

The decision of the representative dated January 18, 2011, reference 02. is affirmed. Claimant is eligible to receive unemployment insurance benefits, effective December 12, 2010, provided claimant meets all other eligibility requirements.
