APPEAL 17A-UI-00802-DG-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

OC: 12/04/16
Claimant: Appellant (2)

Iowa Code § 96.4(3) – Ability to and Availability for Work
Iowa Admin. Code r. 871-24.22(2) – Able & Available - Benefits Eligibility Conditions

STATEMENT OF THE CASE:

The claimant filed an appeal from the January 20, 2017, (reference 02) unemployment insurance decision that denied benefits based upon failure to provide proof of citizenship or legal authorization to work in the United States. After due notice was issued, a telephone conference hearing was scheduled to be held on February 14, 2017. Claimant responded to the hearing notice instructions and his appeal letter and attachment were sufficient to resolve the issue so no hearing was held. Claimant's Exhibit A was admitted to the record.

ISSUE:

Is the claimant a citizen or legally authorized to work in the United States?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant is not a citizen, but is legally authorized to work in the United States. He has presented a copy of his permanent resident card that shows he has been a resident since February 2, 2003, and expires June 24, 2025, unless renewed.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant is able to work and available for work.

Iowa Code § 96.5(10) provides:

An individual shall be disqualified for benefits:

10. Aliens—disqualified. For services performed by an alien unless such alien is an individual who was lawfully admitted for permanent residence at the time such services were performed, was lawfully present for the purpose of performing such services, or was permanently residing in the United States under color of law at the time such

services were performed, including an alien who is lawfully present in the United States as a result of the application of the provisions of section 212(d)(5) of the Immigration and Nationality Act. Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits. In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of the individual's alien status shall be made except upon a preponderance of the evidence.

Iowa Admin. Code r. 871-24.60(2)a-c provides:

Alien. Any person who is not a citizen or a national of the United States. A national is defined as a person who lives in mandates or trust territories administered by the United States and owes permanent allegiance to the United States. An alien is a person owing allegiance to another country or government.

(2) It is required that information designed to identify illegal nonresident aliens shall be requested of all claimants for benefits. This shall be accomplished by asking each claimant at the time the individual establishes a benefit year whether or not the individual is a citizen.

a. If the response is "yes," no further proof is necessary and the claimant's records are to be marked accordingly.

b. If the answer is "no," the claimant shall be requested to present documentary proof of legal residency. Any individual who does not show proof of legal residency at the time it is requested shall be disqualified from receiving benefits until such time as the required proof of the individual's status is brought to the local office. The principal documents showing legal entry for permanent residency are the Form I-94 "Arrival and Departure Record" and the Forms I-151 and I-551 "Alien Registration Receipt Card." These forms are issued by the immigration and naturalization service and should be accepted unless the proof is clearly faulty or there are reasons to doubt their authenticity. An individual will be required to provide the individual's alien registration number at the time of claim filing.

c. Any or all documents presented to the department by an alien shall be subject to verification with the immigration and naturalization service. The citizenship question shall be included on the initial claim form so that the response will be subject to the provisions of rule 24.56(96), administrative penalties, and rule 871-25.10(96), prosecution on overpayments.

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept

suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Claimant is lawfully authorized to work. He has presented the appropriate documentation to the agency.

DECISION:

The January 20, 2017, (reference 02) unemployment insurance decision is reversed. Benefits are allowed effective December 4, 2016.
