**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 10/17/10
Claimant: Appellant (1)

Section 96.5-1 – Voluntary Quit
Section 96.3-7 – Overpayment of Benefits

STATEMENT OF THE CASE:

The claimant filed an appeal from a decision of a representative dated June 19, 2012, reference 03, which held that the claimant had been overpaid unemployment insurance benefits. After due notice, a telephone conference hearing was scheduled for and held on July 19, 2012. Claimant participated. This case was heard in conjunction with 12A-UI-07718-VST.

ISSUE:

Whether the claimant has been overpaid unemployment insurance benefits.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony of the witness and having considered all of the evidence in the record, makes the following findings of fact:

The claimant established an original claim for unemployment insurance benefits with an effective date of October 17, 2010. Benefits were paid to the claimant for the weeks between October 17, 2010, and February 5, 2011, in the total amount of \$2,890.53. The claimant received those benefits. The claimant was disqualified from receiving benefits by a representative's decision dated February 10, 2011. The claimant failed to file a timely appeal from that decision and it was affirmed in 12A-UI-00718-VST.

The employer participated in the fact-finding process.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.3-7, as amended in 2008, provides:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault,

the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5. However, provided the benefits were not received as the result of fraud or willful misrepresentation by the individual, benefits shall not be recovered from an individual if the employer did not participate in the initial determination to award benefits pursuant to section 96.6, subsection 2, and an overpayment occurred because of a subsequent reversal on appeal regarding the issue of the individual's separation from employment. The employer shall not be charged with the benefits.

(2) An accounting firm, agent, unemployment insurance accounting firm, or other entity that represents an employer in unemployment claim matters and demonstrates a continuous pattern of failing to participate in the initial determinations to award benefits, as determined and defined by rule by the department, shall be denied permission by the department to represent any employers in unemployment insurance matters. This subparagraph does not apply to attorneys or counselors admitted to practice in the courts of this state pursuant to section 602.10101.

The evidence in this case established that the claimant has been overpaid unemployment insurance benefits in the amount of \$2,890.53. Those benefits, even though received in good faith, must now be repaid.

DECISION:

The decision of the representative dated June 19, 2012, reference 03, is affirmed. The claimant has been overpaid unemployment insurance benefits in the amount of \$2,890.53. Those benefits must be repaid.
