Iowa Code Section 96.3(7) - Overpayment

**STATEMENT OF THE CASE:**

On August 18, 2022, Rachel (claimant) filed an appeal that the Appeals Bureau treated as a timely appeal from the August 22, 2022 (reference 07) decision that held the claimant was overpaid \$571.00 in benefits for the benefit week that ended July 30, 2022, due to an August 16, 2022 decision that denied benefits for that week based on an able and available determination. After due notice was issued, a hearing was held on September 14, 2022. Claimant participated. The hearing in this matter was consolidated with the hearing in Appeal Number 22A-UI-16271-JT-T. Exhibit A, the online appeal, was received into evidence. The administrative law judge took official notice of the following Agency administrative records: KCCO, DBRO, KFFV and the claimant's work search entries on the IowaWORKS database for the week ending July 30, 2022.

The hearing in this matter was initially set for September 15, 2022. The claimant requested the September 15, 2022 hearing be rescheduled and the administrative law judge granted the reschedule request. The claimant agreed to proceed with the hearing a day early.

**ISSUES:**

Whether the claimant was able to work and available for work during the week that ended July 30, 2022.

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds:

Rachel Hill (claimant) established an original claim for benefits that was effective February 6, 2022 and made weekly claims that included a weekly claim for the week ending July 30, 2022. Iowa Workforce Development paid the claimant \$571.00 in unemployment insurance benefits for that week. When the claimant made her weekly claim for the week ending July 30, 2022, she erroneously marked a box that indicated she was not able and/or not available for work during that week. The claimant was in fact physically and mentally able for work, was available for work and applied for four jobs. The claimant reported four employer contacts when she made her weekly claim. The claimant also entered and certified work search information for four job applications via the IowaWORKS website.

On August 16, 2022, Iowa Workforce Development Benefits Bureau issued the reference 06 decision that denied benefits for the week ending July 30, 2022, based on the deputy's determination the claimant had reported she was not ready, willing and able to work during that week. The reference 06 decision prompted the overpayment decision from which the claimant appeals in the present matter. The reference 06 decision has been reversed in Appeal Number 22A-UI-16271-JT-T.

**REASONING AND CONCLUSIONS OF LAW:**

Iowa Code section 96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.
  - a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

Because the August 16, 2022 (reference 06) decision that denied benefits for the week that ended July 30, 2022 and that that prompted the overpayment decision has been reversed on appeal, the \$571.00 in benefits the claimant received for the week that ended July 30, 2022 is not an overpayment of benefits.

**DECISION:**

The August 22, 2022 (reference 07) decision is REVERSED. Because the August 16, 2022 (reference 06) decision that denied benefits for the week that ended July 30, 2022 and that that prompted the overpayment decision has been reversed on appeal, the \$571.00 in benefits the claimant received for the week that ended July 30, 2022 is not an overpayment of benefits.
