ROBIN L PAYNE
Claimant

APPEAL NO. 24A-UI-02236-PT-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

**OC: 12/17/23
Claimant: Appellant (4)**

Iowa Code Section 96.4(3) – Able & Available
Iowa Administrative Code rule 871-24.3(2) – Verification of Identity
Iowa Administrative Code Rules 87124.2(1)(e) & 87124.23(11) – Failure to Report as Directed

STATEMENT OF THE CASE:

The claimant, Robin Payne, filed an appeal from the February 19, 2024 (reference 02) unemployment insurance decision that allowed benefits effective January 28, 2024, based upon a determination that the claimant initially failed to provide verification of her identity but subsequently did so. After due notice was issued, a telephone hearing was held on March 21, 2024. The claimant participated personally. The administrative law judge took official notice of the administrative record.

ISSUES:

Whether the claimant timely provided verification of her identity.

Whether the claimant is able to and available for work.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant established an original claim for benefits that was effective December 17, 2023. The claimant received a confirmation page when she filed her initial claim, but was unaware Iowa Workforce Development (IWD) was unable to verify her identity through the online verification process.

On December 20, 2024, IWD mailed the claimant a letter stating that if the claimant was unable to provide proof of identity by December 26, 2024, “benefits may be delayed and...claim may be canceled.” The claimant never received the letter.

The claimant did not receive unemployment insurance benefits for several weeks. On February 2, 2024, the claimant contacted IWD, at which point a representative informed the claimant that her claim was locked because IWD could not verify her identity. The claimant provided proof of her identity later that same day by emailing IWD copies of her driver’s license and social security card. The claimant’s unemployment insurance claim was unlocked at that time. On February 19, 2024, IWD issued the reference 02 decision finding the claimant eligible for

benefits effective January 28, 2024, as the requested identity verification documents were provided.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant did not receive notice that she needed to provide verification of her identity to IWD. The claimant's eligibility shall be seen as from the date of her original claim.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work...

Iowa Admin. Code r. 871-24.3 provides:

A claim will not become valid until the identity of the claimant has been verified by the department.

(1) Upon the filing of a claim, notification shall be provided to the claimant if the claimant's identity was not verified.

(2) If the agency is unable to verify the claimant's identity in the claim application, the claimant must provide approved documents. Approved documents must include at least one document containing a social security number. The department shall determine the approved documents required to verify identity. The list of approved documents can be found at the nearest local workforce center or online.

(3) The claimant's identity will not be considered verified until approved documents have been provided. The claim shall remain locked from issuance of benefits until the claimant has provided the approved documents to verify identity.

(4) After filing a claim application, the claimant shall not be eligible for benefits for any week until approved documents are provided to verify identity.

(5) Approved documents must be provided or postmarked by Saturday at 11:59 p.m. of the week in which the approved documentation is due, and the claim shall be unlocked for all weeks following the most recent effective date of the claim application.

(6) If required documents are provided in any subsequent weeks following the due date, the claimant shall be eligible, provided there are no other outstanding issues with the claim, as of the Sunday of the week the claimant's identity was verified.

Iowa Admin. Code r. 871-24.23(11) provides:

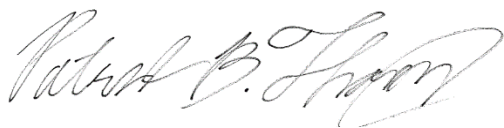

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

In this case, the claimant did not receive notice that she needed to provide verification of her identity to IWD by a specific deadline in order to avoid a delay in benefits. The claimant did not receive a letter notifying her that IWD was unable to verify her identity. When the claimant did not receive benefits for several weeks, she contacted IWD and discovered the issue. The claimant immediately emailed her verification documents to IWD. Any delay in the claimant providing the verification documentation was caused or perpetuated by the United States Postal Service. As such, benefits are allowed effective December 17, 2023, provided the claimant is otherwise eligible.

DECISION:

The February 19, 2024 (reference 02) unemployment insurance decision is modified in favor of the appellant. The claimant provided verification of her identity as required; her delay was due to the U.S. Postal Service issues. Benefits are allowed effective December 17, 2023, provided the claimant is otherwise eligible.
