Iowa Code § 96.3(7) - Recovery of Benefit Overpayment

STATEMENT OF THE CASE:

On May 16, 2019, the claimant appealed the May 7, 2019, (reference 02) decision that concluded the claimant was overpaid unemployment insurance benefits in the amount of \$294.00 for the one-week period ending April 20, 2019, as a result of a disqualification decision. A telephonic hearing was held on June 17, 2019. The claimant, Ronald G. Reedy, participated and was represented by Deb Nowachek. The employer in a related separation case, Brookhaven Nursing Home, participated through Leslie Kirkpatrick, Human Resources; Christina Kasal, Director of Nursing; and Rachel Hansen, Assistant Director of Nursing. Claimant's Exhibits A through F and Employer's Exhibits 1 through 8 was received and admitted into the record. The administrative law judge took official notice of the administrative record for the purpose of fully developing the record on the issue of whether the claimant was overpaid unemployment insurance benefits.

ISSUE:

Is the claimant overpaid benefits?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The overpayment issue in this case was created by a disqualification decision that has now been affirmed. (See 19A-UI-04067-LJ-T) Claimant did receive benefits in the gross amount of \$294.00.

REASONING AND CONCLUSIONS OF LAW:

The administrative law judge concludes claimant has been overpaid benefits for the period in question.

Iowa Code § 96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) (a) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The administrative law judge concludes that the claimant has been overpaid unemployment insurance benefits in the amount of \$294.00 pursuant to Iowa Code § 96.3(7) as the disqualification decision that created the overpayment decision has been affirmed.

DECISION:

The May 7, 2019, (reference 02) decision is affirmed. The claimant has been overpaid unemployment insurance benefits in the gross amount of \$294.00 to which he was not entitled and those benefits must be recovered in accordance with Iowa law.
