(Decision Dated & Mailed)

Section 96.4-3 - Able and Available

STATEMENT OF THE CASE:

Employer filed an appeal from a decision of a representative dated April 5, 2004, reference 03, which held claimant eligible for unemployment insurance benefits. After due notice, a hearing was scheduled for and held on May 3, 2004 at Des Moines. Claimant participated personally. Employer participated by Joseph G. Bertroche, Sr., Attorney at Law. Exhibits A, B, and One through Six were admitted into evidence.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds: Claimant was separated from employment August 15, 2003. Claimant went

into the practice of law from his home. Claimant worked about four hours per week in this practice and continued looking for work. Claimant accepted work with another law firm February 14, 2004.

REASONING AND CONCLUSIONS OF LAW:

The issue in this matter is whether claimant is able and available for work.

Iowa Code Section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

871 IAC 24.22(1)a provides:

Benefits eligibility conditions. For an individual to be eligible to receive benefits the department must find that the individual is able to work, available for work, and earnestly and actively seeking work. The individual bears the burden of establishing that the individual is able to work, available for work, and earnestly and actively seeking work.

(1) Able to work. An individual must be physically and mentally able to work in some gainful employment, not necessarily in the individual's customary occupation, but which is engaged in by others as a means of livelihood.

a. Illness, injury or pregnancy. Each case is decided upon an individual basis, recognizing that various work opportunities present different physical requirements. A statement from a medical practitioner is considered prima facie evidence of the physical ability of the individual to perform the work required. A pregnant individual must meet the same criteria for determining ableness as do all other individuals.

871 IAC 24.23(35) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(35) Where the claimant is not able to work and is under the care of a medical practitioner and has not been released as being able to work.

Claimant, while self-employed, did not work sufficient hours to be taken out of the workforce. Claimant was self-employed which does not disqualify from unemployment automatically. The eligibility determination is based on the hours worked per week. Benefits shall be allowed effective August 30, 2004.

DECISION:

The decision of the representative dated April 5, 2004, reference 03 is affirmed. Claimant is eligible to receive unemployment insurance benefits effective August 30, 2004, provided claimant meets all other eligibility requirements.
