SECTION: 17A.12-3 26.14-7

DECISION

The Claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. The administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED**.

The Claimant asserts reasons for missing the hearing that normally would be good cause for missing it. But the Claimant's explanation lacks detail, for example, we cannot tell whether the procedure was an emergency procedure or if it was planned a planned procedure. If the procedure was planned, we do not know why the Claimant failed to request to reschedule the hearing with the administrative law judge. The Claimant is encouraged to supply the missing detail, and to provide any supporting documents, by applying for rehearing within 20 days of today's decision.
