DEVELOPMENT DEPARTMENT**

**OC: 02/24/13
Claimant: Appellant (2)**

Iowa Code § 96.4(3) – Able and Available
871 IAC 24.2(1)e – Failure to Report

STATEMENT OF THE CASE:

The claimant filed an appeal from the October 11, 2013, (reference 06) unemployment insurance decision that denied benefits. After due notice was issued a hearing was held on November 12, 2013. Claimant participated.

ISSUE:

Is the claimant able to and available for work and did he fail to report as directed?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant is attending school at Northern Iowa Community College. He missed one class on one day, September 19, to deal with the police after his home was robbed. He never received any notification to report to his local office. He has since reported to his local office.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant has established a good cause reason for having failed to report as directed.

Iowa Code § 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept

suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

871 IAC 24.2(1)e provides:

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

The method of reporting and the payment of benefits, provided the individual is otherwise eligible, shall be on a biweekly basis by mail if the claimant files a Form 60-0151.

The method of reporting shall be weekly if a voice response continued claim is filed, unless otherwise directed by an authorized representative of the department. An individual who files a voice response continued claim will have the benefit payment automatically deposited weekly in the individual's financial institution's account or be paid by the mailing of a warrant on a biweekly basis.

In order for an individual to receive payment by direct deposit, the individual must provide the department with the appropriate bank routing code number and a checking or savings account number.

The department retains the ultimate authority to choose the method of reporting and payment.

871 IAC 24.6 provides:

Profiling for reemployment services.

(1) The department of workforce development and the department of economic development will jointly provide a program which consists of profiling claimants and providing reemployment services.

(2) Profiling is a systematic procedure used to identify claimants who, because of certain characteristics, are determined to be permanently separated and most likely to exhaust benefits. Such claimants may be referred to reemployment services.

(3) Reemployment services may include, but are not limited to, the following:

- a. An assessment of the claimant's aptitude, work history and interest.
- b. Employment counseling regarding reemployment approaches and plans.
- c. Job search assistance and job placement services.
- d. Labor market information.
- e. Job search workshops or job clubs and referrals to employers.

f. Résumé preparation.

g. Other similar services.

(4) As part of the initial intake procedure, each claimant shall be required to provide the information necessary for profiling and evaluation of the likelihood of needing reemployment assistance.

(5) The referral of a claimant and the provision of reemployment services is subject to the availability of funding and limitations of the size of the classes.

(6) A claimant shall participate in reemployment services when referred by the department unless the claimant establishes justifiable cause for failure to participate or the claimant has previously completed such training or services. Failure by the claimant to participate without justifiable cause shall disqualify the claimant from the receipt of benefits until the claimant participates in the reemployment services.

a. Justifiable cause for failure to participate is an important and significant reason which a reasonable person would consider adequate justification in view of the paramount importance of reemployment to the claimant.

b. Reserved.

This rule is intended to implement Iowa Code § 96.4(7).

The claimant never received a notification to report. He has since reported to his local office to address any issues with them that needed to be resolved. Since claimant has established a good cause reason for failing to report as directed, benefits are allowed.

DECISION:

The October 11, 2013, reference 06, decision is reversed. The claimant has established a good cause reason for failing to report as directed. Benefits are allowed effective October 6, 2013, provided the claimant is otherwise eligible.
