BEFORE THE EMPLOYMENT APPEAL BOARD Lucas State Office Building Fourth floor

Des Moines, Iowa 50319

DIANA M HENDERSON

Claimant

HEARING NUMBER: 18BUI-02945

EMPLOYMENT APPEAL BOARD DECISION

:

SECTION: 10A.601 Employment Appeal Board Review

DECISION

FINDINGS OF FACT:

The notice of hearing in this matter was mailed March 9, 2018. The notice set a hearing for March 30, 2018. The Claimant did not appear for or participate in the hearing. The reason the Claimant did not appear is because she did not provide a telephone number at which she could be reached, and she did not receive a call to participate. The Claimant contacted the administrative law judge approximately 28 minutes after the scheduled start of the hearing.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 10A.601(4) (2015) provides:

4. Appeal board review. The appeal board may on its own motion affirm, modify, or set aside any decision of a administrative law judge on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The appeal board shall permit such further appeal by any of the parties interested in a decision of an administrative law judge and by the representative whose decision has been overruled or modified by the administrative law judge. The appeal board shall review the case pursuant to rules adopted by the appeal board. The appeal board shall promptly notify the interested parties of its findings and decision.

Here the Claimant did not participate in the hearing because she had not provided a telephone number for the administrative law judge to call. When the Claimant did not receive a call, she contacted the administrative law judge within a reasonable timeframe after the scheduled hearing time, which established her intention to follow through with the appeals process. For this reason, the matter will be remanded for another hearing before an administrative law judge so that the Claimant may avail herself of her due process right.

We caution the Cla	imant that, barring	g exceptional	circumstances,	we will not	: again excu	se a	failure to
call in a number wh	nere the Claimant	could be read	ched.				

DECISION:

The decision of the administrative law judge dated April 2, 2018 is not vacated and remains in force unless and until the Department makes a differing determination pursuant to this remand. This matter is remanded to an administrative law judge in the Workforce Development Center, Appeals Section. The administrative law judge shall conduct a hearing following due notice. After the hearing, the administrative law judge shall issue a decision which provides the parties appeal rights.
