APPEAL 24A-UI-10382-AR-T
**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 11/17/24
Claimant: Respondent (4R)

Iowa Code § 96.5(1) – Voluntary Quitting
Iowa Code § 96.5(2)a – Discharge for Misconduct
Iowa Code § 96.3(7) – Recovery of Benefit Overpayment
Iowa Admin. Code r. 871—24.10 – Employer/Representative Participation Fact-finding Interview

STATEMENT OF THE CASE:

On December 13, 2024, the employer filed an appeal from the December 9, 2024, (reference 01) unemployment insurance decision that allowed benefits based on the determination that claimant was discharged from employment without a showing of disqualifying misconduct. The parties were properly notified about the hearing. A telephone hearing was held on January 2, 2025. Claimant, Kyeanna L. Hawk, did not participate. Employer, Roberts Bayer, LLC, participated through Manager Partner Margret Ortiz. Employer's Exhibit 1 was admitted. The administrative law judge took official notice of the administrative record.

ISSUES:

Did the claimant voluntarily quit employment without good cause attributable to the employer, or was the claimant discharged for disqualifying job-related misconduct?
Has the claimant been overpaid unemployment insurance benefits, and if so, can the repayment of those benefits to the agency be waived?
Can charges to the employer's account be waived?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant began working for employer on October 11, 2023. Claimant last worked as a part-time licensed massage therapist. Claimant was separated from employment on August 13, 2024, when she resigned to accept another position.

Claimant had been struggling with her attendance while employed with this employer. As a result, in April 2024, the employer reduced claimant's hours to try to help with her overall attendance. Thereafter, claimant's attendance improved.

In August 2024, claimant moved to the Ankeny, Iowa area. She resigned her employment with this employer, and began working for employer Bayer Ortiz LLC (account number 619495-000), which is a related but distinct employer. Claimant later separated from employment with Bayer Ortiz LLC. No decision has been issued regarding claimant's eligibility for benefits based on her separation from employment with Bayer Ortiz LLC.

The administrative record indicates that claimant filed a claim for unemployment insurance benefits with an effective date of November 17, 2024. Her weekly benefit amount is \$203.00. Claimant has filed for and received one weekly benefit payment in the total amount of \$203.00. The employer did not participate in the fact-finding interview through no fault of its own. The employer provided a correct phone number for the fact finder's use, but the fact finder called the office location, rather than the updated contact number. The employer attempted to call back, and did so within the 30 minutes allowed for a return call, but did not get to speak with the fact finder.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes claimant voluntarily left the employment to accept other employment. Claimant is eligible for benefits, and the account of the employer shall not be charged.

Iowa Code section 96.5(1)a provides:

An individual shall be disqualified for benefits:

1. Voluntary quitting. If the individual has left work voluntarily without good cause attributable to the individual's employer, if so found by the department. But the individual shall not be disqualified if the department finds that:

a. The individual left employment in good faith for the sole purpose of accepting other or better employment, which the individual did accept, and the individual performed services in the new employment. Benefits relating to wage credits earned with the employer that the individual has left shall be charged to the unemployment compensation fund. This paragraph applies to both contributory and reimbursable employers, notwithstanding § 96.8, subsection 5.

Iowa Admin. Code r. 871—24.28(5) provides:

The claimant shall be eligible for benefits even though the claimant voluntarily quit if the claimant left for the sole purpose of accepting an offer of other or better employment, which the claimant did accept, and from which the claimant is separated, before or after having started the new employment. The employment does not have to be covered employment and does not include self-employment.

Iowa Admin. Code r. 871—23.43(5) provides:

The claimant shall be eligible for benefits even though the claimant voluntarily quit if the claimant left for the sole purpose of accepting an offer of other or better employment, which the claimant did accept, and from which the claimant is separated, before or after having started the new employment. No charge shall accrue to the account of the former voluntarily quit employer.

Even though the separation was without good cause attributable to the employer and would, standing alone, disqualify the claimant from receiving benefits, the claimant did leave in order to accept other employment and did perform services for the subsequent employer. Accordingly, benefits are allowed and the account of the employer shall not be charged.

The issues of overpayment and repayment are moot.

DECISION:

The December 9, 2024, (reference 01) unemployment insurance decision is MODIFIED IN FAVOR OF THE APPELLANT. The claimant voluntarily left the employment in order to accept other employment. Benefits are allowed, provided the claimant is otherwise eligible. The account of the employer (account number 523182-000) shall not be charged. The issues of overpayment and repayment are moot.

REMAND:

The issue of whether claimant's separation from employer Bayer Ortiz LLC (account number 619495-000) is disqualifying is remanded to the Benefits Bureau of Iowa Workforce Development for an initial investigation and determination.
