APPEAL 23A-UI-03654-PT-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

**OC: 01/22/23
Claimant: Appellant (1)**

Iowa Code § 96.4(3) – Ability to and Availability for Work
Iowa Admin. Code r. 871-24.22(2) – Able & Available – Benefits Eligibility Conditions
Iowa Admin. Code r. 871-24.2(1)(e) – Able & Available – Report as Directed by Department
Iowa Admin. Code r. 871-24.3 – Able & Available – Identity Verification

STATEMENT OF THE CASE:

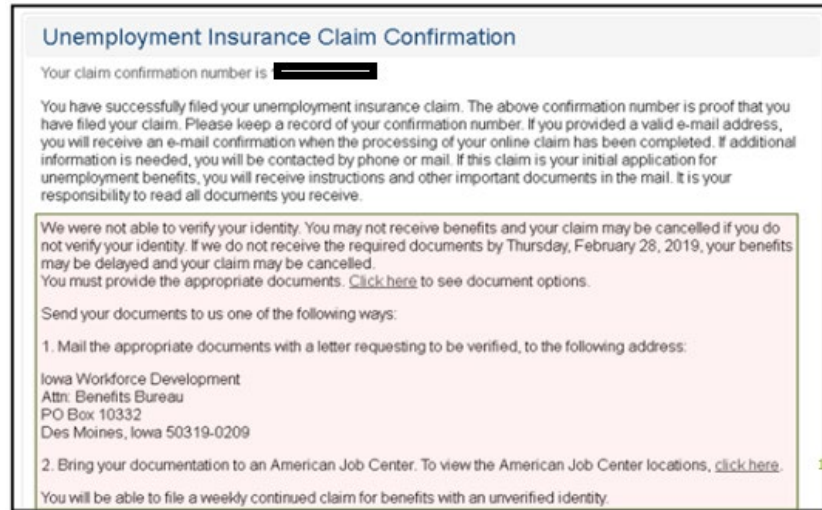

The claimant filed an appeal from the April 3, 2023, (reference 02) unemployment insurance decision that allowed benefits effective March 26, 2023, based upon a determination that claimant initially failed to provide verification of his identity but subsequently did so. The claimant was notified of the hearing. A telephone hearing was held on April 21, 2023. The claimant participated. The administrative law judge took official notice of the administrative record including the fact-finding documents.

ISSUE:

Is the claimant able to and available for work?
Did the claimant timely provide verification of his identity?
Did the claimant fail to report as directed by a department representative?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant filed a claim for unemployment insurance benefits effective January 22, 2023. Claimant was unable to verify his identity through the online verification process. Therefore, on the claim confirmation page, a notice appeared stating claimant was required to provide qualifying proof of identity to the agency by January 30, 2023, to prevent benefits from being delayed and the claim from being canceled. The notification would have looked similar to the graphic below:

The only difference between the graphic above and the message claimant would have received is that claimant would have had until January 30, 2023, to provide the required documents.

Additionally, on January 22, 2023, the agency mailed claimant a letter also stating that if claimant was unable to provide proof of identity by January 30, 2023, “benefits may be delayed and ... claim may be canceled.”

The claimant did not provide proof of identity until on or about March 26, 2023. The claimant’s unemployment insurance claim was unlocked at that time. The same day, the agency issued a decision finding claimant eligible for benefits effective March 26, 2023, as the requested identity verification documents were provided.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes claimant failed to provide timely verification of identity.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work...

Iowa Admin. Code r. 871-24.3 provides:

A claim will not become valid until the identity of the claimant has been verified by the department.

(1) Upon the filing of a claim, notification shall be provided to the claimant if the claimant's identity was not verified.

(2) If the agency is unable to verify the claimant's identity in the claim application, the claimant must provide approved documents. Approved documents must include at least one document containing a social security number. The department shall determine the approved documents required to verify identity. The list of approved documents can be found at the nearest local workforce center or online.

(3) The claimant's identity will not be considered verified until approved documents have been provided. The claim shall remain locked from issuance of benefits until the claimant has provided the approved documents to verify identity.

(4) After filing a claim application, the claimant shall not be eligible for benefits for any week until approved documents are provided to verify identity.

(5) Approved documents must be provided or postmarked by Saturday at 11:59 p.m. of the week in which the approved documentation is due, and the claim shall be unlocked for all weeks following the most recent effective date of the claim application.

(6) If required documents are provided in any subsequent weeks following the due date, the claimant shall be eligible, provided there are no other outstanding issues with the claim, as of the Sunday of the week the claimant's identity was verified.

Iowa Admin. Code r. 871-24.23(11) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

In this case, Iowa Workforce Development notified claimant that identity verification needed to be provided by January 30, 2023, to prevent benefits from being delayed or the claim being canceled. Claimant did not provide the requested documentation until on or about March 26, 2023. There is no evidence in the record indicating claimant's failure to provide the required documentation in a timely manner was due to agency error. The administrative law judge finds claimant was not available for work until March 26, 2023, the week the required identity verification documents were provided to the agency.

Therefore, benefits are withheld for the nine-weeks ending March 25, 2023. Benefits are allowed effective March 26, 2023, provided claimant is otherwise eligible.

DECISION:

The April 3, 2023, (reference 02) unemployment insurance decision is affirmed. The claimant was not available for work during the nine-week period ending March 25, 2023, as he failed to provide verification of identity as required. Benefits are allowed effective March 26, 2023, provided claimant is otherwise eligible.
